SPECIFICATIONS

Overview

Whether trolling or drifting, the Cabo 31 Express rolls gently and predictably. Cabo Yachts has built its reputation on making fishing boats and as such, the Cabo 31 offers every amenity an experienced fisherman could want. From cockpit washdowns to large, dual fish boxes, from an incredibly complete tackle and bait prep center, to rod storage for a dozen big-tackle rigs, the Cabo runs to the fishing grounds fully armed. Cabo Yachts and designer Lou Codega combined their knowledge and skill to produce a hull with an 18.5-degree transom deadrise, and wide reversed chines provide exceptional roll stability for trolling in a beam sea, while the deep forefoot, and 46-degree deadrise at the bow provide the softest head-sea ride possible. It is the perfect compromise between deep-V running ability and moderate-V fuel efficiency. A 12-foot 5-inch beam carried well forward provides buoyancy to lift the bow up over the steepest wave while providing extraordinary internal living space.
