## Overview

The 3200 St. Tropez was among the first American-built cruisers to sport the then-new "Euro" look that was fast becoming a trend in 1980s sport boat design. Some 1,700 of these inboard cruisers were built making the St. Tropez the most successful Wellcraft cruiser ever. Below, the mauve-colored fabrics, gray carpeting, and brushed aluminum trim was a clear departure from the traditional teak-trimmed interiors of other family cruisers. There are berths for six--a notable accomplishment since there is no aft cabin. The St. Tropez's single-level cockpit is arranged with a double helm seat forward, a companion seat opposite, and removable bench seating aft. This is, incidentally, a very uncluttered cockpit with room for some light-tackle fishing. There were several cosmetic updates over the years, but the most significant modification came in 1988 with the addition of a new swim platform and transom door.

new ac/heater....new coated mercruiser risers... new full service on both engines. 2 new 90 gallon gas tanks installed with all new hoses and accessories. 2 new bilges and two new batteries(Aug/14) fresh bottom paint in June 14. every light every aspect of boat in proper working order... fresh rebuilds on 454s in Nov 2013.... boat is ready for wax and wash. this boat is truly turn key..... sleeps six in a/c with solid generator that has separate battery.

## Basic Information

**Category:** Cruiser

**Sub Category:** Express

**Model Year:** 1989

**Year Built:** 1989

**Country:** United States

## Dimensions

**LOA:** 32' 0" (9.75m)

## Accommodations

**Total Cabins:** 1

## Hull and Deck Information

---

**Hull Material:** Fiberglass
