# DETAILED INFORMATION

---

## Walk Through

---

Originally ordered by a pair of discriminating and knowledgeable owners. They added their personal signature to this lovely yacht with the inclusion of a long list of options. She is a sophisticated down-east express with a pilothouse that includes lounge seating, full wet bar and a comfortable swivel STIDD helm seat. Visibility is extraordinary. The center opening windshield and larger side opening windows provide an al fresco ride or may be used with heat or air conditioning as conditions demand. The upper salon is white and light beige with exquisite cherry trim pieces and an outstanding teak deck. To port one finds an L-shaped settee with a hi-low table featuring teak inlay. To starboard there are a bench love seat, a Tundra refrigerator and a wet bar, including an icemaker. Easy access to the engine compartment is through deck hatches where one will find the gleaming twin Yanmar (@500 hp each) diesels.

Down four steps into the lower salon, one finds a teak and holly sole that is very traditional in looks and a bounded, removable, area carpet completes the décor. The cabins are paneled in hi-gloss American cherry. Directly to port is a great, sea-going galley complete with Corian countertops, Stainless Steel sink, micro/convection oven, ceramic cooktop and a full size Sub-Zero refrigerator. For those extended cruising times, there is a Taylor Tundra freezer located to starboard.

Forward of the galley area there is a large L-shaped settee complete with a cherry dining table inlaid with Birdseye maple. Viewing of the flat screen TV with DVD player is very comfortable from the settee. Immediately to starboard, at the base of the stairway, is a guest cabin with a double berth, abundant storage and complete privacy. Next, forward to starboard is the head with Corian countertop and wash basin, storage and a separate stall shower with a circular, clear Plexiglas enclosure. There is ample room in this head for a large size person to be comfortable. Directly forward is the exquisite master stateroom with a centerline berth featuring a pillow-top, full spring, double size mattress and ample storage below, as well as a cedar lined hanging locker and 20" flat screen TV.

This yacht comes complete with everything from bow thruster to 80 amp alternators on each engine to custom sheets on her two berths. Her 11.5kW Onan generator provides more than sufficient power for air conditioning, all electronics and audio-visual entertainment. With her prop pockets, draft of 3'9" and mast clearance of 15', she is a perfect go to the islands or cruise the great circle route yacht. Throughout her 750 hours, her owners have lavished love upon her. She is currently for sale as they are moving up to a larger motoryacht. She comes complete with linens, dishes, silverware and new varnish.. She is ready to go!
