Overview

Stars & Stripes is a beautiful 2015 Viking 52' ST that represents Viking's latest design and engineering advancements in this size range. Her performance is unmatched with fast cruising speeds thanks to upgraded MAN 12V 1400 HP engines. Her custom "Palm Beach Tower" adds to her beautiful profile while allowing for a great vantage point while fishing... Stars and Stripes has many options on her, starting with the 3 stateroom layout with two heads. The interior of the vessel is finished out in beautiful "high gloss" teak throughout the vessel. Custom "Cambria Sheffield" countertops, Walnut Amtico flooring, Custom Wallpaper are just a few of the interior highlights in the vessel...

The command bridge boasts great visibility while operating the vessel. The upgraded Stidd chairs and teak sole finish the vessel out very nicely. The command bridge has AC throughout as well great "U" shape settee seating to starboard for guests. The three sided molded in enclosure with glass windows provides great protection for guests during any weather conditions while also allowing for great 360' views.

The 142 sqft cockpit is perfect for fishing or just cruising as the integrated mezzanine allows for comfortable seating. Step box refrigerator, transom live well, transom boarding gate, and in deck fish boxes are a few well thought out features by the Viking design team in the cockpit of the vessel.

The engine room is sure to impress with her bright "snow white" bilges and all the pertinent equipment including; 700GPD water maker, Onan generator, Sea Keeper Gyro, oil change system, and dual Racor primary filters.

This vessel is in excellent condition and has very low hours on her. See below for a list of the major options this vessel has.

- Additional Fuel (3tank)
- A/C at command bridge helm
- 700GPD water maker
- Custom Hull color "Stars & Stripes"
- 3 stateroom layout
- Ice machine with discharge to cockpit sole fish box
- SeaKeeper Gyro 9000
- Teak Command bridge sole
- Teak Cockpit
- Bow sun pad and cover
- White Stamoid cockpit cover
- Stidd Helm chairs and bench seat with polished chrome pedestal
- Custom Cambria Sheffield countertops throughout

- FLIR Camera System
- Garmin Electronics package
- Glass insert for transom live well with 2 LED lights
- Custom Airbrushed transom name with clear coat protection
- VCOOL film on helm and side windows
- S&I teak helm pod

- Kenyon 4 burner glass cooktop
- Sharp microwave convection oven
- 3 110 V outlets
- 40' Samsung LED TV
- Fusion stereo
- A/C control unit/electrical panel
- Lava ultra-leather settee seat w/ storage underneath
- High gloss dining table
- Central Vac hookup
- Fresh water tank level indicator
- Overhead speakers
- Overhead lighting throughout

Master Stateroom

The master suite is forward and most inviting with its island queen berth. The mattress lifts easily on gas struts to expose a massive maple-lined bin for stowing gear, supplies and other sundry items. Additional stowage is found beneath the berth in a pair of maple-lined drawers, in lockers along the port hull-side and in the maple-lined hanging locker to starboard. Lighting is both subtle yet effective with overhead Halogens and decorative rope lighting underneath the berth platform. Individual temperature controls allow you to set the air conditioning level for maximum comfort and efficiency.

A one-piece molded Cambria Sheffield countertop and sink accent beautifully with the teak faced vanity in the spacious, air-conditioned head. The stall shower, molded of fiberglass for easy maintenance, features satin nickel fixtures and a seat.

- Fabrica carpet

- Island queen berth
- Storage drawers under berth
- Rope lighting under bunk
- Hanging locker lined in maple wood
- 22" Samsung TV
- Fusion stereo
- Overhead skylight
- Overhead speakers
- Dimmer on overhead lighting
- 110V outlets

Master Head

- Custom classic walnut Amtico flooring
- Cambria Sheffield vanity top
- Dometic toilet
- Shower stall with satin nickel shower fixtures
- Vanity mirror with storage behind
- Satin nickel Grohe Faucet
- Granite counter top
- Under sink storage
- Satin nickel towel bars and rings
- Brushed aluminum shower door
- A/C vents
- 110V outlet

VIP Stateroom

The stateroom off the companionway is comfortably appointed with upper and lower berths providing guests with spacious accommodations for overnighting or cruising. Designer fabrics and quilted bed spreads create a tasteful balance of luxury and practicality.

A maple-lined hanging locker stows a sizeable wardrobe and a lower drawer gobbles up loose items. More stowage is located beneath the lower bunk, which lifts to reveal a large maple-lined compartment. Air conditioning with reverse cycle heat is standard and the speakers recessed into the soffit are connected to the salon stereo with separate volume controls. A flat screen television is available and mounts above the hanging locker for easy viewing.

- Fabrica carpet
- Upper and lower berths
- 19' Samsung TV
- Fusion stereo control
- Overhead lights
- Overhead speakers
- Hanging locker with storage drawers

- Storage under bottom bunk
- 110v outlet
- Custom tailored bedding and pillow shams

Second Stateroom

- Upper and lower berths
- Overhead lights
- Overhead speakers
- Hanging locker with storage drawers
- Storage under bottom bunk
- 110v outlet
- Custom tailored bedding and pillow shams

Guest Head

- Amtico flooring
- Shower stall
- Dometic toilet
- AC vents
- Storage behind vanity mirror
- Storage under counter top
- Grohe faucet satin nickel finish

Cockpit

With its 142 square-foot cockpit, the 52 Sport Tower is sure to lead many to the Winner's Circle. Rounded coamings make fighting fish on stand-up gear a breeze. Fish and stowage wells are insulated and the hatches are supported by stainless-steel gas struts. Tag sticks stow under the forward port gunwale. A walk-through transom door, fresh and raw-water washdowns, a tackle center, flush rod holders and a chill box at the bridge deck step finishes out the cockpit.

The unique mezzanine serves as a great entertainment point for watching baits and relaxing between strikes. It also conceals an under mount freezer, stowage compartments and engine room access.

Power-assisted hydraulic steering and electronic engine controls are standard and deliver impeccable response at the touch of a finger. Electronics are kept dry and weather protected beneath clear acrylic panels in raised fiberglass pods. Communication equipment has its own compartment. A Moritz monitoring system tracks engine status and other functions with both audible and visual alarms.

- Teak cockpit and mezzanine
- Transom coaming with gate and fish box
- Glass livewell with LED lights
- Split lid fish box

- Stbd refrigerated mezzanine undermounted step box
- Ice machine with discharge into cockpit sole box
- Two 24V outlets forward under coaming, 1 on each side
- 12VDC 30 amp outlet forward under coaming for teaser reels
- Release rocket launcher
- Blue LED rope lighting under cockpit coaming
- Stamoid cockpit cover
- White shore cord
- Transom swim steps
- Awlgrip lazarette
- Fresh & salt water washdown

Helm

The raked wraparound windshield with tempered glass, wipers and washers provides both protection and smart styling. An integrated track creates a durable connection for the enclosure affording better spray and rain protection and a customized look.

- Upgraded Stidd helm chairs
- V Cool window treatment on helm glass
- Electronic single lever controls
- Air Conditioned
