SPECIFICATIONS

Overview

Palm Beach Show Price reduction to \$229,000.00 This beautiful Chris Craft 36 Corsair is the newest and cleanest on the market. The Corsair was purchased new in July of 2009 and her primary use has been intracoastal cruising. She is well optioned including windlass, electronics, air conditioning, generator, vacu-flush head, wood salon sole and teak decks - take note when comparing to other similar vessels on the market. Being kept in inside storage allows this lightly used vessel to show like new. The Corsair is a classic American speedster with European flair. The comfortable and well-appointed cockpit makes the Corsair a beautiful coastal and lake cruiser. The interior is comfortable enough for weekend cruising for up to four persons. Her twin 420 HP Magnum engines coupled with excellent hull design make up for exhilarating handling that is sure to put a smile on your face. Day cruising, cocktail cruising, water sports and weekend getaways are all within the capabilities of this high quality, well designed and elegant yacht.
