DETAILED INFORMATION

Overview

OUTNUMBERED is a one owner, well-loved example of this popular two stateroom cruising yacht. Her owners have enjoyed her tremendously, since new, in the local waters of Florida. A favorite outing was to load up the kids and head out to explore our coast line and intra-coastal, ending the day at a local waterfront restaurant for dinner and libations. The family has grown considerably since 2008 and now a larger vessel is in sight for the family.

The Luhrs 35C has many features generally not found in a boat this size including:

- Stairs (instead of a ladder) to the flybridge
- 7' Flybridge headroom w/seating for 7 people
- High freeboard and wide beam yielding a large cabin with excellent headroom
- A box type freezer for food or bait
- Accommodations for six in 3 private areas (two staterooms and queen sleep sofa in the salon)
- Full access engine room
- Upgraded helm chair
- Walk-in shower with seat

The owner is now selling OUTNUMBERED in order to purchase a larger boat. This boat has not been used for fishing although she is well suited for fishing with rocket launchers, two fish boxes, bait freezer, live well and rod holders. This Luhrs is a very seaworthy cruiser and a comfortable "weekend home on the water" or an island hopper for extended periods of time.

Stepping into the main salon of OUTNUMBERED, one immediately is struck by how open and bright this level is. The open floor plan allows for an excellent utilization of space.
