## Overview

---

Double Wide is a 38' - 2005 Seawind 1160. Coastal cruising or sailing to far flung destinations this cat is ready go. Its stable and sleek hull design delivers speed and traction while the captain and crew will not be taking a beating - when beating. The dual helms provide a clear sight of vision, with helm's redundancy, no matter what tack is set. The twin diesel engines produce the power needed for all occasions.

The interior is spacious and beautifully accented with glossy woodwork. Three staterooms layout with two heads offer comfort and privacy for all on board. The galley is fully equipped. This boat is designed to sail and entertain friends and family. Once you see it you'll believe it.

### Manufacturer Provided Description

The new 38ft Seawind 1160 was officially launched at the Sydney International Boat Show on the 29th of July 2004, and received a overwhelmingly positive reception from customers, existing Seawind owners and the media. The Seawind 1160 creatively blends key concepts of other popular Seawind models to create a design that successfully combines the huge living space and allround visibility of the Seawind 1000, with the sleeping accommodation, luxurious fitout and security of the lockable Saloon featured on the Seawind 1200.

### General Interior Description

- Ornate polished timber dining table: Lowers to create coffee table or double bed.
- Upholstered settee.
- Cocktail cabinet with ornate polished hinging lid.
- Forward windows in 10mm toughened glass and inset with opening 500mm x 375mm aluminium opening hatch. Side windows in 6mm toughened glass.

- Simulated teak & holly flooring.
- Salon / cockpit doors: Moulded gelcoat tri-fold doors. Complete with folding mechanism for folding into Targa walkway.
- Polished timber solid doors on all private cabins.
- Port & Starboard fwd cabins : Each queen sized bed (2050mm x 1540mm)
- Aft Starboard cabin : Double bed (1990mm x 1230mm)
- Mattresses to be 150mm ( 6? ) foam upholstered.
- Cabins lined.
- Recessed 12volt lighting.
- Storage/Cupboards.

### Switch Panel and Lighting

- Custom made DC electrical switch panel with circuit breakers & LED indicator lights, DC voltage & amperage gauges. Very high quality throughout.
- Marine grade tinned electrical wiring with extensive use of heat sealed connectors..
- Batteries x 3 comprising: House System (400 amp hrs) : 2 x 200 amp hr AGM (Absorbed Glass Matt) deep cycle / heavy duty batteries. One engine battery ? 1000 cold cranking amps AGM.
- 230amp heavy duty isolation switch.
- 12 V lighting : Numerous 12V interior lamps and courtesy lights throughout. Dome lights in cockpit.
- 2 x 12V Outlets.
- Survey approved navigation lights. Port & Starboard mounted on bow rails.
- Deck floodlight mounted on spreaders.
- Mast head anchor / riding light.

### Galley Description

- Spacious galley with co-ordinated laminex counter surfaces, timber accents.
- Three (3 ) burner LPG stove & oven.
- Stainless steel pot holders. Flame failure device fitted to shut off LPG immediately in event of flame going out.
- Double bowl stainless steel sink.
- Pressure hot & cold fresh water system.
- Single lever mixing tap.
- Refrigerator : Front opening upright ?Vitrifigo? fridge 130 litres.
- Spacious freezer ? large 60 litre top loading, heavily insulated. 12volt Eutectic system by ICEER.
- Under bench storage with polished timber door fronts & cutlery drawers.
- Inboard side of galley: Over-bench cupboards with sliding door fronts
- Simulated teak & holly flooring.
- Trash bin, paper towel holder.

### Electronics

- XB-8000 AIS Transponder:

It has WiFi, NMEA 2000® & 0183, USB and GPS receiver all built right in and it includes a powerful external GPS antenna. A great product for any boater needing a low power consumption, low profile Class B AIS transponder with WiFi, NMEA 2000 / 0183 and USB connections

- 2005- ICOM VHF Radio -mounted inside with accessibility from port helm
- Link 29000 Xantrex Inverter and battery charging system
- 2005 Single Side Band ICOM M802 mounted at Nav station
- 2005- Pactor PTC - IIUSB Modem for high seas email communication
- 2011-2- 4D Lifeline AGM Batteries - house batteries 420 Amps
- 2011 - Group 31 Starting Battery AGM
- TV Antenna
- 2012 Thermostrat and heating element for Sigmar water heater
- 2 - 100 watts Kyocera solar panels

## Engines and Systems

- Twin Yanmar 30hp saildrive diesel engines. Fresh water cooling, rubber isolation mounts on reinforced fibreglass bed with integral oil drip pan.
- Two bladed folding propellers.
- Dual engine controls at either helm station. Remote electric key start at engine controls.
- Fuel tanks: Total 360 litres (80 gallons) in two survey approved pressure tested aluminium tanks. Fuel gauge site glass fitted.

- Anchor winch has foot switch at the winch plus a remote up / down control at the helm station.
- 3 x PVC Inflatable Fenders
- 4 x Mooring lines (each 15 metres x 14mm).

---

## Broker Comments

This boat is very well maintained. It shows extremely well. No major problems in any of the critical area: rigging, electronics, plumbing, engines or hull infrastructure. The openness of the cockpit to salon arrangement will impress anyone.
