DETAILED INFORMATION

Remarks

The contemporary 'global' design of this sophisticated yacht has been created by prestigious Icelandic designer Ingibjörg St. Palmadóttir. BLISS's main saloon sets the tone for the rest of the yacht's interior. It features sturdy contrasts comprising of hard and soft colours and textures with quality furniture and a unique finish. The elegant dining area with a circular table and stylish black leather chairs is located at the aft of the vessel, toward the main deck aft. The upper lounge features a long, mirrored bar and mirror insets between the windows cleverly providing an uninterrupted view. The upper Saloon can also be used as an extra guest cabin. An airy stairway constructed of granite, mirrors and stainless steel dominates the foyer, which is one of the most dramatic spaces on board with lights inlaid in Absolute Black granite along with smooth silk wall coverings. Luxury Heesen motor yacht BLISS can accommodate up to 12 guests in 5 glorious cabins including her majestic master suite. The limited colour palette of white, black, silver and dark lavender is incorporated effectively in the full width Master Suite located on the main deck. A sliding bed table is a practical element of this elegant suite. Just aft of the master suite is an accommodating office space with his-and-hers workstations. The remaining cabins are located on the lower deck and include 3 double cabins and a bunk room perfect for children fitted with rare onyx, offset by rosewood. Each cabin has a different colour scheme executed in exotic wall coverings, and are extremely soundproof. Guests onboard appreciate luxury motor yacht BLISS's abundant deck space including an al fresco dining areas with an uninterrupted view. The deck areas have been customised by the designer to maximise guest enjoyment. Areas which are often reserved for more technical uses or storage have been redesigned to provide a remarkable choice of sophisticated sunbathing and lounging options.

Exclusions

Owner's personal belongings.
