SPECIFICATIONS

Overview

This stylish pocket cruiser made good on Chaparral's claim of quality construction and roomy accommodations. Unlike most other 27-footers with trailerable 8-foot, 6-inch beams, the 270/280's wide 9-foot, 6-inch beam insures a more livable interior as well as a larger cockpit. A handsome boat on the outside, the interior of the Signature 270 sleeps six: two in the forward V-berth, two in the aft cabin, and two more when the dinette is converted. The galley is a little light on storage and counter space; the head, on the other hand, is surprisingly roomy. Privacy curtains separate the sleeping areas from the main cabin, and the upscale decor is a blend of cherry joinery, designer fabrics, and vinyl wall coverings. In the cockpit, the helm has a tilt wheel and dual flip-up seating. Lacking side decks, a walk-through windshield provides access to the foredeck. Additional features include a transom storage locker, cockpit entertainment center, radar arch, and a well-designed engine room with a push-button lift.

Basic Information

Category: Cruiser

Sub Category: Express

Model Year: 2009

Year Built: 2009

Country: United States

Dimensions

LOA: 27' 0" (8.23m)
