## Overview

---

**Just reduced 15K! Bring all offers! Will trade up to a 44-50' quality express....**

**2010 EDGEWATER 388 CC Custom with engine warranties -- Only 330 engine hours and the 400 hour service has already been completed. She has always been kept indoors and shows as NEW!**

**Just reduced!**

The EdgeWater 388CC began with a stunning hull form designed by world-renowned naval architect Michael Peters. Like all EdgeWaters, it has a variable deadrise hull with a sharp deep-V entry and large reverse chines for a smooth dry safe ride, but also features a ventilated stepped bottom for reduced drag at higher speeds. Matching these design features with our super-strong, proprietary construction technology, Single Piece Infusion (SPI), the hull achieves a strength-to-weight ratio that significantly improves handling, fuel economy, top speed and range. Specifically tuned to unleash the power of Yamaha's incredibly advanced four-stroke power systems, the perfectly-balanced hull utilizes the extra weight of the four-strokes to offset a wider beam and sharper entry, giving more efficient, stable performance and easier planing over a wider range of speeds and sea conditions. The 388CC has been thoughtfully designed with every amenity you'd expect: abundant storage, massive fishboxes, ample livewells, a large console with spacious head, comfortable seating, ergonomic helm center and a most impressive list of upgrades:

- (2) Garmin GPSmap 5212
- Garmin GHC 10 Autopilot
- Clarion AM/FM/ AUX Stereo
- ICOM VHF IC-M504
- Lewmar Bow Thruster
- Lenco Trim Tabs
- Telescoping Outriggers
- Vitrifrigo fridge under helm seats instead of removable cooler
- Premium Stereo Package with 960 Watt Clarion Marine CD player, Ipod input, 18 JL Audio Speakers, 2 JL Audio Amplifiers
- Full covers for all seating/cushions
