DETAILED INFORMATION

Significant Optional Features

Unusually complete electronics/entertainment package (\$165,000) Extended boat deck and fly bridge hardtop. Additional seating in Portuguese bridge Upgrade to Caterpillar C32 Acert engines with Aquadrive shaft couplings (\$363,000 option) Stainless Steel protective shoes on bottom of strut keels Naiad Multi-Sea model 254 stabilizers Sidepower 20 HP bow and stern thrusters Fuel polishing system Additional forward port and starboard boarding doors in bulwarks The list is long.....See details below!!

Introduction

QUALITY TIME is a lightly used one owner yacht with unusually low time on all machinery and systems. The CAT C32 Acert engines create a top speed of 29 knots, easily cruising at 22-24 knots, and creating long range potential at 8 to 9 knots if necessary. The teak 4 guest stateroom plus crew aft for two is ideal for a full or part time crew, or naturally when desired, experienced owner operators of two can easily run the vessel for short cruises. The powerful Sidepower bow and stern thrusters plus triple control stations create a convenient docking package for shorthanded running and the generous walk around side decks assure confident docking of Quality Time. Add to this a redundant Furuno complete electronics package with large glass monitors at both helms, KVH satellite TV, phone, and weather package, plus complete entertainment package throughout the boat and the result is true comfort in this well thought out classic cruiser.

Accommodations

Entering from the generous aft deck of **QUALITY TIME**, the salon offers a bright and airy feeling, with exceptional viewing areas in all directions, whether seated or standing, the sight lines are well thought out. With twin settees port and starboard, with high low table to starboard, plus two comfortable easy chairs aft, this immediate area is ideal for conversation, entertainment, or just watching the scenery streaming by. As you go forward, the dining area for 6 is bordered by vast cabinets, desk, china cabinets, TV screen, extra refrigeration to port, plus ice maker and sink also to port. Add to this a Bose Home Theater entertainment system which is also throughout the entire boat. Up three steps into the galley/pilothouse area, one finds a delightful country style kitchen and dinette area forward to port. The forward views are ideal from this entire area, whether you are cooking, seated for breakfast, or enjoying a drink...This area often is where most boaters convene when they are not up on the fly bridge during the day. From the pilothouse down to the lower stateroom deck, immediately to starboard, is an over and under cabin at the foot of the stairs. All the way forward down the hall is the ensuite VIP with king sized berth on centerline, followed by a third side by side berth cabin to port. Finally the master stateroom is down two steps aft with king sized berth on centerline.

Galley

Galley and salon countertops are "Sevicchi" granite. Sub Zero drawer refrigerator/freezers (4) plus 2 extra under counter freezer. Teak & holly flooring throughout galley/pilot house. Sub Zero wine cooler Dacor 4 burner cook top Microwave/Convection oven Exhaust fan with stainless polished hood Fisher & Paykel Dishwasher Sink disposal Stainless Grohe polished faucets Filtered drinking water faucet. Numerous well placed teak overhead and under counter lockers and drawers. Teak blinds

Pilothouse

Teak & Holly flooring, teak blinds L shaped teak dining table to port with built in Ultraleather seating Full instrumentation and control station on centerline. Stidd polished stainless model 500N helm chair Lighted stairway down to staterooms. Teak stairway to fly bridge to port. Large chart drawer and bookcases Stereo/CD player, A/C controls, Windshield defrosters

Master Stateroom

This stateroom is ideally located and insulated from the engine room by fuel tanks, large head and oversized walk in closet to port. The amidships master stateroom is full beam with six stainless steel opening ports at eye level and Shoji privacy screens. Teak & holly flooring King sized bed on centerline with large storage drawers underneath. Vanity with beveled, framed mirror and drawers. Cedar lined full height hanging lockers (4) in addition to walk in closet. Flat screen direct TV and stereo, CD, DVD system Side-by-side Whirlpool washer and dryer in forward wall storage locker.

VIP Stateroom

King sized bed on centerline with oversized drawers, lockers, and convenient storage areas throughout. Excellent cross-ventilation from stainless opening hatches and overhead large deck hatches with Ocean Aire screens and sun shades. LCD TV, Stereo Cedar lined hanging lockers and vanity Ensuite head, stall shower with two doors allowing privacy as the day head. Teak & Holly flooring

Port Mid Guest Stateroom

Twin side by side berth layout with teak & Holly flooring and ensuite head and shower. Full height hanging locker, desk, and stainless opening ports. Under bed storage drawers and large under deck storage compartment

Starboard Mid Guest Stateroom

At foot of stairwell, over and under single berths Teak & Holly sole with stainless opening ports Hanging locker with storage drawers under lower bed Flat screen TV This cabin shares the head/shower with the forward VIP stateroom

Crew Cabin

Optional double crew cabin aft of the engine room with head, shower, microwave, flat screen TV/entertainment center, washer/dryer, and entry under aft deck seating area. Water tight transom door off swim platform to crew area. Direct access to large port and starboard lazarette/workshop storage area. Large hanging locker Captains desk with swing out seating

Flybridge

Extended fly bridge hardtop (36 " longer than standard) with radar arch. Extended boat deck aft allowing coverage of lower aft deck, plus dinghy placement further aft. Updated Aritex powder coated 1600 lb. davit with hydraulic positioning, rotation and extension features. Marlow "Sprite" fiberglass center console dinghy with 40 HP Yamaha 4 stroke engine. Flood lights on aft end of hardtop and extended boat deck Large sun pad to port with gas assist lift up hatches and storage underneath. Combination U-Line fridge/icemaker, second Wolf barbecue grill, sink and deck wash down spigot under. Extended aft fly bridge railings with removable sections aft for dinghy launching Optional oval shaped fly bridge railing package Holding brackets for securing scooters Optional security fiberglass gate between forward seating area and boat deck area. Settee tables in front of L shaped seating area are optional gloss finished teak, oval in shape. 2 Stidd powder coated model 500N Helm chairs

Aft Deck

Extremely large area for outside dining, including varnished teak table and seating for six. Overhead protection from extended upper boat deck. Twin transom doors with easy access to lower swim platform. Aft station controls for stern docking ease. Removable N rails on swim platform 3 rod holders installed on railing stanchions Additional aft underwater lights

In Conclusion

QUALITY TIME represents the latest and most totally equipped Marlow 78 open bridge available on the market today. With the classic stunning looks of an offshore styled trawler, this Cat 32 Acert powered motor yacht will easily cruise at 20 knots plus, yet provide comfortable long range at 8 to 10 knots if preferred. From the classic satin finished teak interior, to the unforgettable blue hulled profile, one cannot imagine a more impressive design to consider....This yacht will exceed your expectations and provide your family with endless safe explorations wherever you wish to go.
