## Overview

**VESSEL WALKTHROUGH** The 58 Mckinna Pilot House motor Yacht is light years superior to the 57 model. She has beam that is two feet wider and offers full walk around side decks and an interior layout that is incredibly spacious. "Sea Odyssey" is a low hour (400) vessel with countless factory upgrades. She has a hydraulic bow thruster, windlass and stabilizer system, a hard top, extended swim platform, shallow draft, and an air conditioned fly bridge. Her layout is exceptional with a very comfortable lower salon area upon entry. A couple steps up and fwd brings us to the next level featuring the galley to stbd and a dinette to port. Fwd of the galley on the same level is the weather protected lower helm. There is a weather protected inside stairwell on this level as well leading us up to the air conditioned fly bridge. The bridge has a hard top, very social seating arrangement, and full navigation station. Aft on the bridge is a davit for easy launch and retrieval of a tender or jet ski (nothing presently on board). Going back down stairs to the galley, dinette and lower helm station level there is another stairwell leading below to the lower accommodations. Aft is the master, featuring a queen size berth and en suite head. Walking fwd from the master is the guest state room to port. This state room features a large single berth below and a versatile flip down Pullman berth above if needed. Across from the guest state room is the guest head. She has a fresh water head, shower, sink w storage underneath, and marble counter tops. It doubles as a day head with hallway access and also private access from the fwd VIP. The fwd VIP features and island queen berth, cedar lined closet, and full AV system. Aft deck - Huge oversized swim platform - Fold up aft deck ladder for access to the bridge - U line ice maker, electric grill and sink - Boarding doors on both sides - Aft deck engine and bow thruster controls - Engine room access Flybridge - Furuno nav net combo chart plotter and radar - Furuno auto pilot - I com VHF radio - CAT electronic controls and Electronic gauges - Trim tab controls - Hydraulic windlass and bow thruster controls - (2) Pompanette captains' chairs - (2) L shaped seating areas Salon - Beautiful high gloss light wood - Very social layout with opposing couches, coffee table to port and entertainment center to stbd Galley - Granite counter tops w/ sea proof edge - Full size refrigerator with freezer drawers - Overhead GE microwave convection oven - Great storage - Stairs up to fly bridge - Dinette to port seating for 4 - 6 - Flat screen TV for galley Lower helm - Furuno nav net plotter with radar - Search light controls - Trim tab controls - Hydraulic bow thruster and windlass controls - Hydraulic stabilizer controls - CAT electronic controls and gauges - Gauge for inverter - Panoraphic door to starboard Forward VIP - Beautiful high gloss light wood - Island queen berth - Cedar lined closet - Panasonic TV - Private access to shared head Guest head - Full shower with seat - Granite counter tops - Head hunter toilet - Port hole for natural light - Mirror ceiling - Vanity FULL SIZE OVER UNDER WASHER DRYER IN FOYER Guest Stateroom - Single berth w drop down Pullman berth - Flat screen TV - Cedar lined hanging closet - Storage MASTER Stateroom - Large island berth - Beautiful high gloss light wood - Port light for natural light - 2 large cedar lined closets - Open and private master head w tub/shower - Head hunter toilet
