SPECIFICATIONS

Overview

This vessel's interior has just undergone a complete makeover from carpets and soft goods to new lambrequins in the salon. The engine blocks were reportedly changed out in 2003 from the 650 hp to the 825 hp to improve speeds.

DETAILED INFORMATION

Accommodations

This was a hugely successful model for Hatteras. The 60 EB combined an all out fishing machine and luxury yacht.

The expansive 3 stateroom/3 head boat had the galley and dinette on the deckhouse salon level.

There is a separate utility room forward of the engine room. It houses the washer/dryer and freezer. It has a parts storage to starboard and pump room to port.

She has a full keel for propeller protection.

The cockpit was a "first" in the industry with over 175 square feet.

The forward stateroom was improved by making the top berth a double width sleeper.

New interior soft goods, lambrequin, carpet, and LED lights (all completed 2015).
