Overview

Every so often, a real breakthrough comes along in yacht design. In the world of mid-forties motor yachts, if you're looking for something to get excited about, look no further than the all-new 45 Cantius from Cruisers Yachts. This design represents a whole new perspective on the utilization of space; interior versus exterior. It reflects the changes in the way modern families use boats in this size range, both for their own purposes and to host and entertain guests.
