DETAILED INFORMATION

Vessel Walkthrough

The interior of Dream On consists of a large well appointed salon, four cabins, and three heads. Once you have left the teak cockpit that features mezzanine seating, access to the cabin is by way of a starboard located electric sliding door. The salon features a large sofa to port, and a teak credenza to starboard. The galley is to port with the dinette opposite of it to starboard. Proceeding forward and down several steps there is a guest stateroom to starboard that is arranged with side by side beds and private access to the guest head which also has companionway access.

The master is located on the port side of the companionway and has its own private head. A second guest stateroom is located on the starboard side of the companionway just forward of the laundry center. The fourth and final stateroom is forward and has an island bed and private head as well.

The interior of this tremendously well equipped 64 includes upgraded flooring, Granite countertops, and a raised panel teak finish on the cabinetry. In 2013 all interior soft goods including linens and bunk cover were replaced.
