Total Heads: 2

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Caterpillar

Model: 3208

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Accommodations

This is a fully custom example of the desirable North Sea Cutter by Albin Yachts. Note the custom hard top and custom top over the cockpit. And so much more. This three stateroom two head configuration gives a great master aft with a walk around island berth and ensuite head with shower and tub. There is also a door from the master to the cockpit, very convenient for that early morning dip. Up to the main salon with the galley aft and a convenient lower helm with sliding access door to the starboard side deck. Down to the lower staterooms with an upper and lower to port and V berths with a filler to make a queen in the forward guest stateroom. The forward head has access from the companionway and has its own separate stall shower.

The top deck has a mast and boom which is used for electronics and a dingy hoist. It is hinged to the custom hardtop in a way that makes it easy to lower for those low clearances. The boom has a canvas which folds out to completely cover the aft deck and dingy for shade on those days when the sun is too bright.

Galley

- GE Microwave
- 4 Burner Princess propane stove with oven
- Large stainless steel refrigerator with freezer

Salon

- 22" flat screen t.v/ Sharp
- Kenwood CD player w/ four speakers
