Overview

EASY With the help of the optional Volvo Penta joystick maneuvering the yacht is now so easy that it can even be handled by a novice sailor. You can park your boat in the marina without any concerns. You could say that it is now child's play **INDEPENDENT** Thanks to the diesel engines the range is hugely increased over gasoline engines. The B36 can be equipped with an optional generator, thus you can go boating without the fear that you will not be able to cook your favorite dishes from the grill or cook top. **LUXURIOUS** B36 attracts sights with its unique lines and modern design. Quality of superior craftsmanship is what you can feel in every inch of the boat. In B36, all of the materials, components and products are carefully chosen and combined together with attention to detail – to meet even the highest of expectations.

SMART The optional Volvo Penta glass cockpit provides control over every parameter of the voyage, managing multimedia into divided zones and enabling to control many other features. Use your iOS or Android device to take control of multiple features **COMFORTABLE** You have access to all the comforts to which you are accustomed to at home. The cabin can accommodate a 4 person family comfortably on board for the night. The yacht can be equipped with a bathroom with shower, refrigerators, grill and cooktop, air conditioning, or Wi-Fi. **STARTING AT \$349,000**

SMART The optional Volvo Penta glass cockpit provides control over every parameter of the voyage, managing multimedia into divided zones and enabling to control many other features. Use your iOS or Android device to take control of multiple features **COMFORTABLE** You have access to all the comforts to which you are accustomed to at home. The cabin can accommodate a 4 person family comfortably on board for the night. The yacht can be equipped with a bathroom with shower, refrigerators, grill and cooktop, air conditioning, or Wi-Fi.

Cockpit

The fully customisable cockpit of the B36 allows you to arrange the space in a way that fits your needs. You can choose from the variety of prearranged layouts or custom build your own. B36 gives you freedom to decide whether you need more seating, lounging or an open area.

Accommodations

The multi-functional cabin space serves as a place for eating, lounging, and finally transforms into a sleeping area. There are two separate sleeping zones that can accommodate 4 adults, additionally you can convert a part of the seating area into a sleeping space for 2 children.

Pilothouse

The B36's helm was designed with you in mind. Ergonomics, excellent choice of equipment and supreme quality are the key features of B36 helm. It has never been easier to control your boat, with everything within reach from the steering position. The materials used for the construction seamlessly blend together in the refined design of the B36, where everything was thought of in the smallest detail.

Galley

The spacious galley is located at the port side of the B36's cockpit, conveniently placed between the aft and entrance to the salon making it easy to serve guests relaxing inside or outside. The galley can be equipped with a dual sink, refrigerator, electric cooktop, electric grill, cabinet space and a trash compartment.

Master Head

The B36's head has a separate shower and toilet area, it features a Vacuflush system, cabinet space, sink, and wood flooring.
