CLUB M will be located on Ramp 17 in the Miami Beach Boat Show on Collins Ave. "Please visit the CLUB M website at CLUBM-yacht.com for improved yacht photography, specifications, details, broker friendly brochure etc."

Introduction

The immaculate and sleek CLUB M presents buyers with a rare opportunity to purchase the only late model from the hugely desirable Ferretti 830 HT series available on the brokerage market.

CLUB M's warm 'beach club' theme is carried throughout her interior and exterior. She has been beautifully kept in exceptional condition by her experienced crew and Owner since new.

CLUB M's sleek profile and design are why Ferretti Yachts have earned a reputation in the yachting industry as the most striking yachts on the market. Her contemporary décor and large windows throughout not only add to the airy beach club feel, but also offer stunning vistas out to sea.

Heavily equipped with continuous upgrades and improvements, CLUB M is a motor yacht with plenty of advanced offerings, including an impressive hydraulic beach club area and a retractable hard top on her flybridge, as well as an extensive Atlas shore power converter application for worldwide cruising.

CLUB M sleeps eight in four comfortable staterooms, comprising a luxurious master cabin with marble en-suite and massive full height windows, a generous VIP, two twin-bedded staterooms and a uniquely large separate crew quarters and crew mess aft.
