# DETAILED INFORMATION

---

## Overview

---

The Marlow Explorer 70E combines a handsome pilothouse profile with state of the art construction and a practical layout that is perfect for cruising in comfort and luxury. PAPPY'S TOY represents the nicest example of this popular yacht currently available. She is well equipped for long range cruising and all services are up to date. **Annual yard service completed September, 2019 including new bottom paint and Prop Speed, hull compound and wax, new cutlass bearings and stabilizer seals**

## Vessel Walkthrough

---

Beginning on the fully covered teak aft deck, features include built-in cushioned seating forward to starboard as well as port & starboard aft. A molded FRP stairway forward to port leads up to the boat deck and flybridge. Port and starboard aft are boarding doors and three steps on each side leading down to the large swim platform.

Double centerline doors open to the spacious salon. The combination of satin finished teak joinery, granite countertops, Ultraleather furniture and the varnished teak & holly sole create an inviting warm ambiance. PAPPY'S TOY is one of the only Marlows which was custom ordered with all free standing furniture in the salon and dining area. Immediately to starboard is a patterned upholstered arm chair next to a triple tiered decorative end table followed by a large Ultraleather sofa. A large trapezoidal shape coffee table fronts the sofa. The entertainment center housing the stereo system and flat panel TV is built into the port aft corner of the salon making the TV visible from every seating angle. Continuing forward to port is a stone topped fluted wood storage cabinet followed by a barrel club chair covered in Ultraleather. All the way forward on the port side is the granite topped built-in wet bar with wine cooler, hidden stainless steel sink and deep bottle storage drawers. Directly across from the wet bar is a large round glass topped dining table with four chairs. Forward and to the side is granite topped teak buffet cabinetry housing an ice maker and beverage refrigerator as well as a china cabinetry on the forward upper bulkhead.

Three steps up from the salon, dining area leads to the galley and pilothouse. The starboard side open galley is truly a chefs delight with granite counters, abundant storage, under counter refrigeration and top of the line appliances. The port side entry door and floating teak stairway to the flybridge is directly across from the galley. Forward to port, elevated one step is the built-in dinette and slide out teak table with fold-down leaf. To starboard and centerline is the lower helm station with Stidd helm and companion chairs covered in Ultraleather. All navigation electronics and instruments are within easy sight and reach of the helmsman. The starboard side entry door is directly next to the helm.

A curved stairwell on the forward, starboard side of the pilothouse leads down to the owner and

guest staterooms. At the foot of the stairwell is built-in cabinetry with louver doors housing the stacked washer and dryer. Two steps down and aft is the full beam master suite. The king size island berth is centerline with built-in nightstands on either side and beveled glass mirrors and reading lamps above. On the port side is a built in bureau with twelve drawers, storage and hanging lockers. To starboard is a vanity with swing out stool and mirror plus two hanging lockers. Port and starboard abaft are the his and hers baths with adjoining large walk-in stall shower. Both have marble counters, under-mounted sinks, portlights and Vacuflush toilets.

Forward of the master to port is the guest stateroom with upper and lower crossing berths. The TV is built-in the starboard aft corner of the stateroom over a built-in desk. A cedar lined hanging locker and storage drawers are under the berths. An ensuite bath with stall shower, marble counter, undermounted sink and Vacuflush head is aft.

The VIP guest stateroom is all the way forward with a queen size island berth. The ensuite bath with teak framed plexiglass stall shower is accessed from the stateroom or companionway allowing it to be used as a day head. There are two cedar lined hanging lockers, port and starboard as well as under berth storage drawers and overhead storage lockers. Two overhead hatches provide natural light and ventilation.

The crew quarters and engine room are accessed either through a hatch on the aft deck or the full height transom door. On the port side is a full size double berth, three storage lockers, built-in end table and hanging locker. To starboard are two additional storage lockers, microwave oven, freezer and head with shower. The engine room is accessed forward through a watertight door with viewing port. The engine room provides full stand up head room and excellent access to all systems and machinery.

The flybridge and boat deck are accessed either from the aft deck or the pilothouse. Forward, centerline is the helm station with twin Stidd chairs offering excellent visibility and access to the full electronics array. The entire flybridge area is protected from the elements by an FRP hardtop. Aft of the helm to starboard is molded U shaped seating surrounding a fiberglass table on a pedestal. On the port side is a fiberglass cabinet housing a refrigerator, ice maker, electric grill and wet bar. All the way aft on the boat deck is the Nautica tender with outboard motor and hydraulic davit. The entire boat deck perimeter is protected by a stainless steel double guard rail.

---

## Salon/ Dining Area

---

- Ultraleather sofa
- Ultraleather swivel barrel club chair
- Upholstered arm chair
- Coffee table
- 3 tier end table
- Oval shape fluted wood cabinet w/limestone top
- Pioneer Elite 42" plasma TV w/DIRECTV receiver
- Bose Lifestyle stereo system w/5.1 digital surround, 5 speakers, subwoofer

- (3) decorative table lamps
- (6) brass wall lights
- West & Co. wall clock & barometer
- (10) overhead teak trim lights
- Teak & holly sole
- Patterned area rug
- Overhead teak grab rail
- 42" round glass dining table w/4 chairs, cushions
- Teak mini-blinds
- Port side wet bar w/hidden sink & bottle storage drawers
- U-Line wine cooler
- Scotsman ice maker
- U-line refrigerator
- Built-in L-shaped buffet w/3 glass front china cabinets & 3 storage drawers

---

## Galley

- (3) Sub Zero 700 series refrigerator drawers
- (3) Sub Zero 700 series freezer drawers
- Dacor 4 burner electric ceran cooktop w/fiddles
- Dacor electric oven
- Sharp Carousel convection microwave oven
- GE Monogram trash compactor
- Fisher & Paykel DishDrawer dishwasher
- Franke stainless steel undermounted sink w/2 cutting board covers
- Grohe pull-out sprayer water faucet
- Dedicated drinking water faucet
- Filtered drinking water faucet
- Kitchen Aid garbage disposal
- Granite countertops
- Teak louver door storage cabinets & drawers
- Exhaust fan
- Storage locker in countertop
- Granite sole

---

## Pilothouse

- (2) Stidd Admiral Ultraleather helm & companion chairs w/footrests
- Port side dinette w/pull out teak table & fold down leaf
- Port & starboard articulating water tight doors
- Stainless steel & teak floating stairway to flybridge
- (2) overhead hatches w/screens

- Teak mini blinds
- Teak & holly sole
- Chart drawer
- Teak destroyer wheel
- AC & DC electrical panels
- Stereo speakers

---

## Pilothouse Electronics & Equipment

---

- (2) Raymarine E-120, 12.1" Multifunction displays (GPS, chart plotter, radar, satellite weather, AIS)
- Raymarine 10 kW, 72 nm radar
- Raymarine 17" monitor
- AIS transceiver
- Raymarine ST60+ depth indicator
- Raymarine ST60+ speed log/sea surface temperature indicator
- Raymarine ST60+ wind speed/angle display (true & apparent)
- Simrad AP26 autopilot
- Simrad WR20 wireless autopilot remote
- Icom M504 VHF transceiver/hailer
- Icom CommandmicIII remote VHF radio control
- FLIR Mariner remote thermal vision camera control
- Naiad Multisea II stabilizer controls
- KVH Tracvision M5 satellite TV system
- KVH Tracphone satellite telephone system
- Panasonic digital hybrid key phone system
- Wave WiFi broadband router
- Sanshin HR-1012 searchlight control
- Side-Power bow & stern thruster controls
- Elbex EXS-41 CCTV switcher w/ aft deck, flybridge & engine room cameras
- (2) Caterpillar MPD displays
- Morse electronic engine controls
- Sony AM/FM/CD player
- Sony CDX-656X 10 CD changer
- Mingood intercom
- Xantrex inverter control
- Ritchie Powerdamp Plus 6" compass
- Trim tab controls
- Hart tank tender system

---

## Master Stateroom

---

- King size berth w/memory foam mattress, upholstered headboard & mirrored aft bulkhead
- Built-in night stands w/(2) drawers each
- Port & starboard swing arm wall lamps w/shades
- Port side built-in bureau w/(12) drawers & (3) storage lockers
- (5) port, starboard & forward cedar lined hanging lockers
- Starboard vanity w/swing out stool & mirror
- (6) port lights w/sliding shoji screens port & starboard
- His & hers baths w/shared walk-in shower
- Sharp AQUOS 26" LCD TV/DVD combo w/ DIRECTV receiver
- Teak & holly sole

---

## VIP Guest Stateroom

- Queen size island berth
- Built-in night stand counters port & starboard
- (2) brass reading lights
- Under berth storage drawers
- Overhead storage lockers w/louver doors
- (2) cedar lined hanging lockers
- (2) Overhead hatches w/screens
- Ensuite bath w/stall shower, vanity, marble counters
- Sharp 22" AQUOS LCD TV w/DIRECTV receiver
- Teak & holly sole

---

## Guest Stateroom

- Upper & Lower crossed twin berths
- Cedar lined hanging locker
- (2) port lights w/curtains
- Built-in vanity
- Toshiba 15" LCD TV/DVD combo
- Ensuite bath w/stall shower, vanity, marble counters
- Teak & holly sole

---

## Laundry

- Bosch Axxis front loading dryer
- Bosch Axxis front loading washer

---

## Crew Area

- Double berth w/memory foam mattress
- Toshiba 15" LCD TV/DVD combo w/DIRECTV receiver
- Hanging locker
- (3) storage lockers
- Sub Zero 249FF freezer
- Daewoo microwave oven
- Head w/hand-held shower, marble counters, mirror

---

## **Flybridge Navigation Electronics & Equipment**

---

- (2) Raymarine E120 Multifunction displays (GPS, chart plotter, sonar, radar, satellite weather, AIS)
- Raymarine 4kW 36nm radar
- Raymarine ST60+ Tridata display (depth, speed, seawater temperature)
- Raymarine ST60+ depth indicator
- Raymarine ST60+ speed log/sea surface temperature indicator
- Icom M604 VHF transceiver/hailer
- Icom CommandmicIII remote VHF radio control
- Simrad AP26 autopilot control head
- FLIR Mariner remote thermal vision camera control
- Side Power bow & stern thruster controls
- (2) Caterpillar MPD displays
- Naiad Multisea II stabilizer control
- Sanshin HR-1012 searchlight control
- Morse electronic engine controls

---

## **Flybridge & Boat Deck Equipment**

---

- (2) Stidd Admiral helm & companion chairs w/footrests, piped ultraleather
- Stainless steel 4 spoke wheel
- FRP extended hardtop w/powdercoated forward supports
- Tinted venturi windshield, stainless steel frame
- L-shaped settee w/Sunbrella cushions
- FRP 3 sided table on stainless steel pedestal
- Miele electric barbecue grill
- Stainless steel sink
- Scotsman ice maker
- U-Line refrigerator
- 2008,Nautica 13.5 Wide Body RIB dinghy w/60 hp Yamaha 4 stroke outboard, bimini top, new cover, Garmin GPSmap 545
- Aritex 800A, 220V hydraulic davit w/rotation
- Lifesling overboard rescue system

- Switlik 6person MK-II SOLAS life raft
- Sat 406 EPIRB
- Welded 316 stainless steel boat deck perimeter guard rails
- Stainless steel radar mast w/integrated anchor light & ships bell
- KVH Tracvision satellite TV dome mounted on stainless steel bracket
- KVH Tracphone satellite phone dome mounted on stainless steel bracket

## Deck Equipment

---

- Bow pulpit w/ dual anchor chutes & chain stoppers
- 110 lb. Bruce stainless steel anchor w/300' high tensile chain
- 60 lb. plow style stainless steel anchor w/300' high tensile chain
- Lofrans Titan 24V horizontal windlass
- Fresh & raw water anchor wash downs
- 316 stainless steel bow rail
- Teak cap rails
- Portuguese bridge w/integrated forward port & starboard seating w/cushions
- Portuguese bridge deck storage lockers
- Laid teak decks
- Full walk-around side decks w/bulwarks
- Oval shape 316 stainless steel inboard side deck hand rails
- Frameless windows
- Textaline windshield covers
- (3) windshield wipers w/washers
- Port & starboard aft boarding doors
- International navigation lights
- Sanshin remote search light
- FLIR remote thermal vision camera
- Kahlenberg dual trumpet air horns
- Port & starboard transom boarding doors
- (2) molded FRP transom seats w/cushions
- Molded FRP seat w/cushions, starboard forward aft deck bulhead
- (2) folding teak deck chairs
- Integrated swim platform w/teak deck & 3 removable stainless steel U rails
- Stainless steel swim ladder
- 316 stainless steel rub rail
- 316 stainless steel hawse pipes
- Hidden fueling ports w/anti-spill catch basins
- (4) Glendinning Cablemaster shore power reels

## Electrical Equipment

---

- (2) 20 kW Northern Lights generators w/sound shields, Port: 3200 hrs. Starboard: 3205 hrs.
- 110V/220V AC electrical system
- 12V/24V DC electrical system
- (4) Lifeline 8D AGM batteries, service bank
- (2) Lifeline 8D AGM batteries, thrusters
- (2) Lifeline 8D AGM batteries, generators
- (2) Lifeline 8D AGM batteries, main engines
- Newmar Phase Three 25 amp, 12V battery charger
- Newmar Phase Three, 40 amp, 24V battery charger
- Xantrex 4kW inverter/120 amp battery charger
- (6) battery cut-off switches
- (2) battery parallel switches
- (4) 50 amp shore power inlets on Glendinning cablemasters, (2) forward, (2) aft
- Central bonding system
- Guest Galvanic isolators
- (3) Lumitec SeaBlazeX LED underwater transom lights (2015)

## Engine Room/ Mechanical Equipment

---

- Twin Caterpillar C-15 Acert diesel engines
- ZF 350A reduction gears w/2.636:1 ratios
- Naiad stabilizers w/Multisea II controls
- Side Power 20 hp electric bow & stern thrusters
- Morse electronic engine controls
- Morse wired remote control w/ thruster controls
- Marine Air chilled water reverse cycle air conditioning system, 2 staged chillers, 96,000 BTU total
- Sea Recovery AquaMatic 900 gpd watermaker w/EZ start
- (2) duplex Racor 1000 fuel filters w/vacuum gauges for each engine
- (2) Racor 500 fuel filters w/vacuum gauges for each generator
- Walker Air Sep crankcase ventilation system
- Dripless shaft seals
- Dripless rudder shaft seals
- Aquadrive couplings & soft engine mounts
- 3" Aquamet 22 stainless steel propellor shafts
- (2) 5 blade 38" X 37" Nibral propellers
- Polished stainless steel engine beds
- FM 200, 97 lb. fixed engine room fire suppression system
- Oil change system for engines, transmissions, generators
- Bennett trim tabs
- Seastar hydraulic steering system
- Sealand Vacuflush sanitation system
- Macerator pump

- Sea Chest centralized raw water intake system
- (4) 24V automatic bilge pumps
- Emergency manual bilge pump
- High water bilge alarm
- Flojet AC fresh water pump
- Headhunter 24V DC fresh water pump
- PJR drinking water pump
- (2) sump pumps
- 100 gallon stainless steel dedicated drinking water tank
- 400 gallon stainless steel fresh water tank
- Torid 30 gallon stainless steel electric water heater
- NuTone central vacuum system
- Power System 110V air compressor
- Engine room lead/foam sound insulation
- 220V high volume engine room blowers
- 24V bilge blowers
- Proprietary baffled air inlet system
- Watertight engine room door w/inspection port
- Varnished teak bilge grating
- AC & DC engine room lighting
- CCTV camera

---

## Hull & Construction

Marlow Yachts use the most modern materials and construction techniques including resin infusion, Dupont Kevlar, vinylester and epoxy resins with high density core materials, resulting in a hull, deck & superstructure with more strength and less weight than possible with conventional methods.

While the foundation is a conventional semi-displacement form, Marlow utilizes proprietary "Velocijet Strut Keel" technology. This system uses twin strut keels that surround the propeller shafts in hydrodynamic fairings resulting in improved efficiency, tracking and stability. They also offer running gear protection, and modest propeller pockets keep draft to just 4 feet, 5 inches.

---

## Exclusions

While every effort was made to list all pertinent included equipment aboard PAPPY'S TOY, there are some personal belongings aboard. Prospective purchasers should assume any item not specifically mentioned herein will not convey at closing. Please refer any items in question to the listing broker.

---

## Exclusions

---

Owner's personal belongings.
