# SPECIFICATIONS

## Overview

This 32 Regulator is one of the few built with the "Classic" deck layout. The forward deck is unencumbered and gives plenty of room forward. This is what a center console is all about, 360 degree fishing. In addition the forward fish box/rod storage is massive. The Yamaha 300 HPDI engines (428 hours) were the power of choice when this boat was new. Great performance and good economy. Lightweight with plenty of torque these engines are ideal for this heavyweight fishing machine.

## Basic Information

**Category:** Sport Fisherman

**Model Year:** 2005

**Year Built:** 2005

**Country:** United States

## Dimensions

**LOA:** 32' 0" (9.75m)
