- Electric Engine Hatch (Entire Helm Deck Raises)

## MANUFACTURER PROVIDED DESCRIPTION

---

The Luhrs 30 Open has been computer designed to offer the best in performance and accommodations for its size. A wide beam for stability, deep forefoot and pronounced flare for the ride, and a raised bridgedeck for visibility are only some of the features. Standard equipment includes a hardtop, fish tower, washdowns, rod holders, and livewell. An innovative, wide double berth that tucks away to allow an expansive dinette as well as a roomy head with shower and full service galley make staying aboard very comfortable. A furniture-grade cherry interior along with designer fabrics and genuine Corian counters provide an elegant, but durable interior. Power options in gas and diesel are specified to provide the best performance, reliability and economy possible. Comfort options such as air conditioning and generators are available.

## Исключения

---

При продаже яхты исключаются личные вещи владельца.

## Отказ от ответственности
