Fuel Type: Diesel

DETAILED INFORMATION

Introduction

Overview

The 90ft custom Motor yacht 'Pegasus IX' was built by Sabre Catamarans in Australia. This luxury vessel's sophisticated exterior design and engineering are the work of Sabre Catamarans who are also responsible for the entire engineering package. The yacht's luxury, entirely new interior is a result of a 2015 multimillion dollar major refit designed by Marty Lowe and executed by the best craftsmen in the Fort Lauderdale area. The result, stunning, elegant and relaxing, as seen in Show Boats International.

Built as a yacht using commercial standards of construction, Pegasus IX is a magnificent example that a proven commercial hull design together with the power configuration, makes a remarkable performing sea boat with great turn of speed.

Everything on board is designed and intended for complete comfort and pleasure. The large open salon and dining area perfectly integrates light tones with warm wood tones ambiance that exudes relaxation and contentment.

Accommodations

Accommodations

Pegasus IX offers a huge full beam Master Stateroom (over 600 Sq ft.) with its own private deck. This Master is more grand than what a 130' Yacht offers. The King Size Master berth is positioned in the center of the suite facing aft with a view of the owner's private aft deck and a 180-degree view of the scenery behind the yacht. There is a low cabinet at the foot of the bed that contains a large pop up flatscreen TV, Blu-ray and entertainment system. There is plenty of closet and storage space. A portion of the suite is dedicated to a sitting area. The suite has a large head with an oversized shower, marble decor and two sinks.

Just astern of the Master Stateroom you will find the owner's deck and access to the flybridge. The owner's deck features L shaped custom seating and a cocktail/dining table.

On the main deck level there are two spacious VIP cabins offering comfortable accommodations both with ensuite heads. Each cabin also enjoys plenty of natural light and clear views from their windows. Crew accommodations with ensuite head is also on the main deck.

Galley

The New Galley, fit for a hotel, is the envy of any Chef. Simple elegance and contemporary style *defines* this sophisticated kitchen. The layout is efficient and there is plenty of work space and storage space.

Comments

The upper and lower deck spaces are comparable to a much larger yacht. The stairs and hall ways are very wide and easily manageable. She features huge outdoor areas that rival most 34M yachts. Her aft-deck is spacious.

The amenities offered are equal to or greater a 130' monohull. She is ABS certified and in class.

If you are wanting to explore the world on your private yacht, then look no further. She is perfectly suited for pleasure cruising.

Exclusions

Owner's personal belongings.
