Fuel Type: Diesel

DETAILED INFORMATION

VESSEL WALKTHROUGH

The main helm deck is quite expansive and is a great place to spend the day on the water or entertaining at night at the yacht club. The helm is forward to starboard and has seating for two with another companion seat to port.

Aft is a large U-shaped settee to starboard with a hi-lo table. To port is a well equipped wet bar with a sink, electric grill, ice maker and a refrigerator with freezer. Moving aft is a large sunpad over the dinghy garage which opens for easy launch and retrieval of the tender from the swim platform. A fiberglass hardtop with retractable sun roof protects the helm area from the elements. Air conditioning and heat keep it comfortable.

Moving forward and down to the cabin area the salon is midship with a large S-shaped sofa and dining table to starboard as well as the guest head/day head. To port is the expansive galley with loads of storage and recessed appliances.

Forward is the master stateroom with a centerline queen bed, hanging locker and drawers and cabinet storage. There is a private ensuite head with shower to port.

Aft of the salon are the two guest cabins.

The starboard guest cabin features a queen bed with hanging locker and drawer storage. There is also a private entry from this cabin into the guest head.

The port guest cabin features an upper/lower berth and hanging locker outboard. A dresser with storage and a desktop is inboard and also houses the combination washer/dryer.

GALLEY

- SubZero Refrigerator
- Sub-Zero Freezer
