Remarks The boat was designed by Bernard Olesinski and Princess. It has a deep 'V' configuration forward and has three molded in spray deflectors below the waterline. Above the water line of the hull if finished in a Blue Awlgrip 2013, below the water line for the hull is finished with hard white anti-fouling, with black below the chine. Gale Ann IV is in way above average condition. This is a limited addition Express Cruiser with limited availability on the brokerage and new market. The owner is very motivated, reflected in his aggressive low asking price. A new V70 will cost over \$4,000,000 USD.
