Model: 3406E TA

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Overview

The Sunseeker 56 Manhattan is a magnificent combination of luxury and practicality in a contemporary family motor yacht. Her spacious three stateroom, two head layout is complimented by a large aft deck, spacious flybridge, walkaround side decks, and hydraulic swim platform. The interior features high gloss cherry joinerwork and rich designer fabrics throughout. The sleek, dramatic exterior lines are matched by her excellent open water performance with twin 800 h.p. Caterpillars. This yacht has been well maintained and constantly updated since new.

Vessel Walkthrough

Beginning aft on the hydraulic swim platform, there is a center line door flanked by two storage bins leading up to the aft deck. A large hatch in the center of the aft deck provides access to the engine room. Access to the interior of the yacht is via sliding glass doors from the aft deck. The main salon features off white leather settees on the port and starboard side and a full entertainment center with surround sound speaker system. Down four steps on the starboard side of the salon is the expanded galley. Forward of the salon up two steps is the pilothouse with a port side U-shaped dinette and helm station to starboard. Aft of the helm is a floating stairway which leads up to the flybridge.. A stairwell to port of the helm leads down to the owner and guest staterooms. The master stateroom is located forward, featuring an island queen berth and ensuite head with stall shower. Immediately aft of the master are the two guest staterooms, the VIP to port and GUEST to starboard. The VIP stateroom features a double-sized berth and private access to the day head. The GUEST stateroom has two twin-sized berths. All staterooms have flat screen TVs, DVD players, and cedar-lined hanging lockers.

The spacious flybridge is accessed from either the aft deck or the pilothouse. Features include a large cushioned settee with hi-lo table to port and wet bar to starboard. The helm station is forward to port. Two bimini tops provide shade and weather protection.

Salon

- Port & starboard leather settees w/storage beneath
