Overview

The Riva Sunriva is a 10 meter (33 feet) pleasure boat, ideal for a day on the water. She is agile to drive and boasts a very smart center console. Her owners enjoy the sun and sea in total comfort thanks to the wide swim-platform, wide sunbed, inviting sofas – perfect for a food and drink on the bow, and of course a toilette. Designed by Mauro Micheli and its Officina Italiana Design, she is regarded as one of the "classic" boats in the recent history of the Riva shipyard.
