DETAILED INFORMATION

Accommodations

Lorraine sleeps 6 in 3 staterooms with full beam aft master, spacious salon with side and forward windows, and 2 equal guest cabins forward. There are ensuite heads for all cabins, and all heads are electric. The large galley and navigation center are adjacent to the companionway. The interior woodwork is varnished teak and the cabinsole is teak with contrasting light inlay, and Leatherette upholstery in the salon. Crew accommodations forward with head and shower.

Main Salon

Stepping below one cannot help but be impressed by the light and spacious main salon with generous 15'-11" beam, raised deckhouse with numerous windows and four hull port lights. To port are twin settees with a coffee table and entertainment center between. Across to starboard is a large U-shaped settee with expandable teak dining table with two comfortable inboard seats.

Galley

Aft of the salon to port, adjacent to the companionway, there is a wrap-around galley with generous countertop space, numerous storage lockers, refrigerator and deep freezer. There is a four-burner propane stove with oven with Whirlpool extractor fan above, a microwave oven, and twin stainless sinks with retractable faucet.

- ENO stainless 4 burner oven with grill
- Double stainless sink
- Electric refrigeration(front opening) and freezer(top opening) each 5 cu. ft.
- U-Line icemaker with separate fresh water tank and pump
- Microwave
- Manual fresh water filter

Navigation Station

The forward facing navigation station with an over sized chart table is opposite the galley to starboard and includes a wide bench seat and flush mounted electronics and electric breaker panels. There is a retractable LCD TV stored forward of the navigation table providing good viewing for all in the adjacent salon.

Master Stateroom

The owner's cabin is located aft and features a centerline queen berth with a custom built

mattress. There are two seats next to the head of the berth, one with a vanity, hanging lockers, numerous drawers, and storage lockers. Hull ports and deck hatches provide great natural light and ventilation. There is a separate shower to port with teak seat and grating. To starboard is a second owners head with vanity and sink.

- 17" flat screen TV
- DVD player
- HP fax & printer
- phone
- iPod connect

Guest Staterooms

There are two identical guest cabins forward, each with twin berths that can be converted to a double with a filler. A hatch port light and two opening portholes provide natural light and ventilation. Each cabin has a private head with shower. Upper berth in forward starboard cabin. Under each berth are large storage compartments, one where the removable centerline panels can be stored, when not being used to join the forward cabins into one.
