Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 4

Manufacturer: Mercury

Model: 300 Verado

Engine Type: Outboard

Fuel Type: Gas

DETAILED INFORMATION

Walkthrough

No bottom paint on this extremely well maintained Intrepid with only 600 hours on quad 300 HP Mercury since new. Always lift kept and spotless inside and out. This is the two stateroom model that sleeps 6 with a convertible V-berth. The helm deck has a large L-shaped settee to port that can easily seat six. The helm station is to starboard and features a 55" electrically adjustable helm seat. There is an ice maker and refrigerator housed below the helm seat cabinet. Moving forward and down you arrive in the main salon area with galley to starboard and V-shape dinette/lounge with electrically operated table forward. With the table lowered, this area is converted into a sleeping V-berth for two. There is a wall mounted Sharp LCD TV in the salon. The galley has Corian counters with sink, microwave, stove and refrigerator/freezer. To port is the head with electric toilet and full stall shower. The master stateroom is aft and to port with queen bed, closet, Samsung LCD TV and Clarion stereo. There is a private access door to the head from the master stateroom. The guest stateroom with full-sized bed is aft and to starboard. It has a hanging locker with drawers and a wall mounted LCD TV. The cabinets throughout the cabin are oak wood veneer and the floors are teak and holly. The cockpit features a transom door and gate out to the swim platform to starboard. To port is a custom fold-out dive door. There is a transom livewell and also an in-deck livewell. There is a full fiberglass hardtop with 4-sided isinglass enclosure protecting the air-conditioned helm deck area.

Galley

- Kenyon 1-burner glasstop stove
- Isotherm stainless steel refrigerator/freezer
- Contoure microwave oven
