DETAILED INFORMATION

VESSEL WALKTHROUGH

A FORD IT is a modern luxury class motor yacht which will appeal to both live-aboards and cruisers alike. Her rakish profile is accented by tiered cabin windows offering an abundance of natural light. She has a huge air conditioned flybridge with hardtop that is accessed via a stairway from the cockpit. She features a two stateroom, two head layout with the master stateroom forward and the full beam guest stateroom midship. She is powered by a pair of Cummins QSB 480 hp engines with Zeus pod drives.

VESSEL WALKTHROUGH

Entering the salon through a sliding glass door from the cockpit, there is a large L-shaped Ultraleather sofa with two built-in recliners and a hi-lo table to starboard. To port is the electrical panel with television and entertainment center as well as two chairs with table between. Access to the utility room is through a hatch in the center of the salon floor. Forward and up one step is the galley with refrigerator/freezer, microwave oven, stove and loads of storage to port. To starboard is a large U-shaped dinette with table that also converts to a double berth.

Moving forward and down is the cabin area. The master stateroom is forward with a centerline queen berth, hanging lockers and drawer space and Ensuite head with shower. The full beam guest stateroom with queen bed is aft and midship. The guest head has a private entrance as well as a companionway entrance and doubles as the day head.

The cockpit has an aft forward facing settee as well as an abundance of storage lockers to port and starboard. Access to the engine room is through a large hatch in the cockpit floor. A fiberglass stairway leading to the flybridge is to starboard.

The huge flybridge area is protected by a full fiberglass hardtop with four-sided enclosure and is air conditioned and heated. The helm with chair is forward and to starboard. To port is a two seat helm companion bench seat. Aft of the helm area is a wet bar with sink, refrigerator, electric grill and a large U-shaped lounge seating area with hi-lo table that converts to a sun pad.
