Vessel Walkthrough

Boarding via cockpit, through the transom door, the spacious cockpit has twin fish boxes below deck to port and starboard. Port side cabinets include a prep sink and 50 gallon livewell, while the starboard cabinet has a large refrigerated hold.

Stepping up on the teak sole bridge deck, to port is L-shaped seating and tackle storage and to starboard is tackle storage, ice maker, and helm area. The wraparound windshield provides an unobstructed view of what lies ahead. The full hardtop with powder-coated supports and rod holders also incorporates an electric hatch centerline. A sliding door separates the helm bridge deck to below area. Three steps down, to port, is the dinette and to starboard is the enclosed head and shower. The galley and master berth are located forward. The guest berth is aft of the salon, centerline. All flooring is teak & holly with soft headliner and LED lighting.
