Electrical

Battery selector switch (8) Breaker protected 120 volt circuits (8) Breaker protected 12 volt circuits 50' 30 Amp shore power cord (2) 12 Volt batteries Shore power inlet aft to port

Remarks

The Albin 28 Tournament Express is a sturdy fishboat/family cruiser with a practical deck layout, a skeg protected rudder and cabin accommodations for four. The 28 is a rather traditional looking boat with a hint of Downeast styling, and her foam cored hull boasts a prop protecting skeg for increased tracking and stability. While the centerline engine box dominates the cockpit (standard power is a single V drive inboard), there's still enough working space for a couple of undemanding anglers. A hardtop with sliding side windows provides weather protection for the helm, and a drop curtain encloses it completely. Below decks, the compact interior is accented with mica cabinets and teak trim. A wide quarter berth extends beneath the bridge deck. Among several engine choices, her single 315 YP Yanmar diesel will do 18 knots with a top speed of 22 – 23 knots.

LOA is 29' 11".

Exclusions

While every effort was made to list all pertinent included equipment aboard BONNIE LOU, there are some personal belongings aboard. Prospective purchasers should assume any item not specifically mentioned herein will not convey at closing.
