---

## DETAILED INFORMATION

---

### Helm & Cockpit

---

The helm on this Rampage offers a commanding view both forward & aft. The helm has twin Raymarine E120 screens, the CAT Engine monitors, Raymarine Autopilot, trim tab controls, VHF, and all power switches.

The on deck upholstery has seen some wear from the sun, but it is all still functional. The boat also includes a transom seat, that is just forward of the livewell on the stern.

This boat has a ton of storage for tackle, and on the cockpit bulkhead there is a good sized sink & bait station.

The boat also comes with a rocket launcher in the middle of the cockpit on the pedestal there.

### Cabin

---

On entering the cabin and heading down the cabin steps, the galley is directly to starboard along the steps. There is a half fridge, along with a sink, stovetop & Microwave.

Further forward, is the master V-berth in the bow. There is ample room for two, along with a good storage locker to starboard. There is also a Flatscreen TV to the port side of the berth.

Moving aft along the port side is the head, which includes an electric flush head, a sink, and a full stand up shower enclosure.

Aft of the head along the port side of the boat is the dinette area, which features nice leather upholstery. The table in the dinette area lowers, so that the entire space becomes a second berth for two.

This boat has experienced a leak in the cabin, the leak is coming from the tower supports in front of the windshield in the boat. You can see evidence of the leak in the headliner, and some water stains on the floor in the cabin.

### Electronics

---

- Radar
- Autopilot
- GPS

- Plotter
- Compass
- VHF

---

## Other Equipment

---

- Microwave Oven
- Electric Head
- Air Conditioning
- Refrigerator
- Shore Power Inlet

---
