SPECIFICATIONS

Overview

(LOCATION: Keyport NJ) This Californian 34 LRC is a classic two-cabin trawler that combines space, comfort, and economy in a sturdy all-weather package. Large enough to live aboard or take coastal cruising, and small enough to navigate the intracoastal and inland waters. She features a hardtop, cockpit, open salon, and two staterooms to ensure space, comfort, and convenience.

A walk-around main deck offers easy movement from bow to stern. The cockpit is large with room for fishing and space for casual seating or dining. Wide side decks lead forward to the foredeck with bow pulpit, anchor roller, anchor, and windlass.

A double center door from the cockpit offers access to the salon, which is bright and airy with large windows and mahogany woodwork. The galley is starboard and features mahogany cabinets with ample storage, tile counter top, stainless steel double sink, microwave oven, and three-burner range with oven. The lower helm station is forward with side deck access, compass, depth sounder, and VHF radio.

There are two cabins with rich woodwork providing warmth and style. The forward cabin features v-berth, and hanging locker. The master cabin has double berth, under-berth storage, and hanging locker. The enclosed head has toilet, vanity with sink, under-sink storage, and separate shower stall.

Power is provided by twin 210-hp Caterpillar 3208 diesel engines designed for economical and dependable performance. Mechanical features include factory installed engine room heaters, and an Onan 7.5-kW generator. She is carefully maintained, and ready to cruise. Call now for more information and to schedule a showing of this Californian 34 Long Range Cruiser.
