DETAILED INFORMATION

Broker Comments

This versatile center console offers performance-minded boaters the ultimate combination of family-friendly comforts and pulse-pounding thrills. The 370 offers the perfect stage for whatever activity you're into, be it hard core fishing, deep sea diving, or a simple sunset cruise. Individually crafted to the industries highest standards, this Intrepid 370 was custom built with most available options. Boat only has 560 hours!!!

Here is an opportunity to own a lightly used, lift kept in winter and kept inside A/C building in summer, amazing 370 Open! It has been washed and dried after each use, and the engines flushed after using.

Accommodations

As you board REBATE the cockpit is quite roomy and has all the options you expect on an Intrepid, and a large livewell is built in the transom. Ample storage for all your fishing tackle, boating necessities and personal gear.

Forward of the center console is a seat for two that, with a push of a button, slides open to allow access into the console. A few steps down is the head, sink and shower. This area is well ventilated and has a generous amount of space. Continuing forward is another seating/lounging area with cushions. These seats are on electric slides that allow you to choose your desired head rest position.

In the bow is more easily accessible storage and an automatic windlass anchor system.
