## Overview

The Cruisers 3470 is a well laid out and appointed vessel full of amenities for comfort and style.

The cockpit offers plenty of seating room for friends and family, and the swim platform is big enough for two or three adults to sit on side by side while getting on their gear. There's also a convenient wet bar, cockpit shower, and refrigerator or ice maker in the cockpit, which is a great feature on any boat. The helm station is well situated with all the controls and gauges in handy, easy to reach places with good room left over for additional electronics. The 3470 features many of the amenities you will need while cruising. There's good natural light down in the cabin through six portholes and a round forward hatch. The cabin features a forward V-berth that has a privacy curtain and good storage space on either side as well as below the berth. To starboard there's a dinette area that features a drop down table that can be converted into a double berth for two. Across the way is a full galley complete with refrigerator/freezer, two-burner electric cooktop, microwave oven, and good cabinet space for utensils and groceries. The head is unusual for a boat her size because of its headroom, separate shower with molded-in seat, and overall space to move around. The aft berth features comfortable accommodations for two and also has a privacy curtain for the couples aboard.

# DETAILED INFORMATION

---

## Manufacturer Provided Description

---

The Cruisers 3470 Express comes available with two well-thought-out layouts and features smooth, precise handling in both stern drive and inboard power. Her interior accommodations, boasting six feet, five inches of headroom throughout, will sleep up to six comfortably. The forward stateroom features a double bed with easy access, and a privacy curtain - or an optional bulkhead and door - providing complete privacy. Aft, owners can select either a fixed double berth or an alternate layout with a convertible circular settee. With the settee layout, this area can effectively lengthen the salon into one wide open living space or, with the privacy curtain, it can serve as a comfortable midcabin. The facing dinette to starboard easily converts into another berth. To port of the companionway is a full-service galley with a large refrigerator / freezer, microwave, and double-burner electric stove. The 3470 also provides a spacious head with a large, separate shower stall and full standing headroom. Abovedecks, the generous cockpit seating arrangement is ideal for dockside or on-the-water entertaining. She features a wetbar, cockpit shower, and available cockpit refrigerator or ice maker. A custom-fitted enclosure will keep everyone protected from the hot sun or inclement weather.
