Overview

The Atlantis 55 is a rare find in the US market and this one only carries 350 hour on CAT engines. The Atlantis 55 bares a sexy, sleek and futuristic shape to her deck structure while exuding an aggressive yet seductive look. The "true"open philosophy may be appreciated inside the cockpit thanks to a fully enclosed glass cockpit that provides both shelter and unmatched visibility. Her retractable glass hard top is absolutely stunning and her lines are unmistakable. This low hour beautiful European exotic is a must see. Aggressively priced and open to all offers.
