# DETAILED INFORMATION

---

## Manufacturer Provided Description

---

Whether for weekend excursions or extended cruising, the Sea Ray 400 Sundancer is the one. The distinctive styling begins with the 400 Sundancer's mid-cabin, raised-helm design. A fiberglass arch with overhead lighting, generous seating arrangement, and portside wet bar and ice maker make the cockpit an inviting place to pass time with friends.

The 400 Sundancer is powered by twin Caterpillar 3116 V 350 HP. The large cockpit area has bench seating on three sides and a portside wet bar with faucet and icemaker, making it ideal for large gatherings. A transom door leads to the wide swim platform. At the helm, a double companion seat keeps company with the adjustable captain's chair. The Raytheon electronics package includes GPS, VHF radio, and Raydata multifunction depth finder, speed - sumlog, and water temperature instrument. The built-in toe-rail and through-bolted stainless steel bow rail make passage to the foredeck sure and safe.

Below, the Salon area features a curved sofa, perfect for relaxing before dinner; add the fiberglass table and it's a perfect dining spot. Later, it becomes the perfect sleeping spot for overnight guests. With central heat, air conditioning, and TV - VCR - radio combo, this is your home away from home. The Sundancer berth, or Mid-stateroom, is a conversation area during the day and converts to a double berth at night. In the Master Stateroom is a full-size pedestal bed and a private entertainment center with TV - VCR - radio combination. Cedar-lined hanging lockers and port and starboard vanities with cabinets below provide plenty of storage. With access from the Salon and the forward Stateroom, the Master Head includes a VacuFlush toilet, a vanity with sink, and full stand-up fiberglass shower. The Guest Head features a VacuFlush toilet and vanity with sink. Faux-granite countertops accent the full Galley, featuring a full-size refrigerator - freezer, flush-mount three-burner electric stove and microwave, and convenience package with coffeemaker and blender.

---

## Salon

---

- Flat screen Sharp TV in Salon
- Curved sofa with storage
- Overhead cabinets
- Overhead opening hatch with Oceanair privacy shade and screen
- Electrical panel behind overhead cabinet
- Bin storage behind sofa
- Cherry pedestal table
