Overview

The 65 Hatteras Sport Deck Motor Yacht is a great opportunity for a quality motor yacht at an affordable price. "No Rules" is being offered for sale due to her owner's change of plans. She is a perfect platform for a traveling couple as she is easily operated by just 2 people but yields and interior that comfortably sleeps 8 people in 4 staterooms all with private ensuite heads. The galley was totally refit in 2014 with all stainless steel appliances which also makes this vessel very attractive for someone looking for a high end live-aboard yacht. "No Rules" features twin generators and dependable Detroit Diesel 12V-92's with just 1800 original hours. Please look at the full specifications for a detailed listing.

DETAILED INFORMATION

Vessel Walkthrough

The forward section of this yacht has three staterooms for family or guests. Down the stairs from the pilothouse one continues aft to the mid stateroom which is a queen VIP. Actually there are two queen cabins forward and one twin cabin. Lots of storage and each has a cedar lined hanging locker. Overhead hatches in the forward VIP allows for great natural lighting. The lower VIP has a Jacuzzi bath en-suite, while the forward a VIP and the twin stateroom each have a head with separate shower stall. The master stateroom is aft and features a full beam layout for maximum space. The engine room is expansive as well and full standup height. There is a mechanical room in the forward bilge that houses the ships dual generators and air conditioning systems. The salon is open and airy and finished out in a light oak wood interior.

Pilothouse/Electronics

The pilothouse arrangement is quite spacious for a vessel of this size. There are exterior access doors to port and starboard as well as a privacy door separating the helm from the galley. The riding bench is trimmed in rich green leather and features chart drawers, pull out footrest, and abundant storage underneath. The fly bridge is accessed via the built in staircase located in the pilothouse.

- Hatteras systems monitor with alarms
- Garmin 7212 touchscreen chart plotter
- APX300 Robertson auto pilot
- Link depth meters
- Link wind apparent anemometer
- Fuel and water gauges
- Naiad stabilizers and controls
- Furuno 98 mile radar
- ACR spotlight
- Icom M-504 VHF radio
- SEA hailer and auto fog horn
- 3 wipers and washers
- Bow thruster controls
- Trim tabs
- Maxwell windlass controls
- Fax Machine
- SEA 2250 HF/SSB Radio
- Ship's horn
- Brunton visual level
- 12v cigarette dash plug

- Overhead chart lights
- Ritchie Power damp compass
- Emergency engine shutdowns
- Panasonic hybrid phone system
- Emergency back-up controls

Flybridge equipment/FB Electronics

The spacious fly bridge is great for entertaining and features a functional key bar that accommodates 4 stools and refrigerator/ice maker. The upper deck seating configuration horseshoes the area behind the helm and bar and features 2 pedestal tables. There is also a Gaggenau gas grill on its own pedestal. There are stamoid covers for almost everything on the bridge.

- Hatteras systems monitor
- Furuno Navnet Vx2
- Icom m504 VHF radio
- SEA hailer and auto fog horn
- APX 300 Robertson auto pilot
- Naiad stabilizers control
- Bow thruster control
