## Overview

---

Lagoon 410-S2 After launching more than one hundred Lagoon 410 cats since its first introduction in 1997, Lagoon now introduces the new Lagoon 410-S2. Many improvements have been added to the Lagoon 410. More consideration has been given for ergonomic and comfort features and she is now even more maneuverable. This new S2 version has even more standard equipment than previous models. All primary sail control lines, including the main halyard and reefing lines, are now brought back to the cockpit where the addition of an electric winch increases the ease, efficiency and safety of managing mainsail loads. Movement between the steering station, the cockpit and the main salon remains free and open. The large chart table and comprehensive navigation station, the immense main salon with its unique panoramic view, and the large L-shaped galley show clearly that the Lagoon 410-S2 is designed for long and comfortable cruising. The Owner's version of the boat has three cabins with the starboard hull a veritable apartment dedicated entirely to the comfort of the owners. With the addition of a sliding door, privacy for the owner's suite has been maximized while opening up the stateroom area with its queen-sized bed, desk with bookcases, dressing area, toilet and bathroom with separate full-sized shower. Across are two roomy ensuite cabins for guests or kids.
