SPECIFICATIONS

Overview

She is an excellent all round catamaran with a huge cockpit area adjoining the roomy salon and galley making for a perfect tropical living area afloat. Fountaine Pajot are one of the worlds leading catamaran manufacturers and the Lavezzi 40 model contributed significantly to their reputation. The boat has a huge bimini and great steering station make her a very sociable yacht and the four cabin layout is ideal for maximizing guests aboard. This yacht is Thai flagged and could be used to earn her upkeep through charter if required. Twin Volvo MD2030 driving fixed blade props through sail drive legs provide power and her easily handled with stack pack and Genoa furler are all in good shape. Engine access is excellent and does not require disturbing berths inside. She has got very useful tender davits and her interior is spacious and user friendly. She's a very complete package with Raymarine electronics and everything working well. Definitely a "step aboard and sail" yacht. Vendor has priced her well for a quick sale and we encourage you to inspect before she is gone.
