DETAILED INFORMATION

General layout & description

The layout of the Nordic Tug 42 is innovative and gives separation between the master stateroom and guest accommodations.

The **master stateroom** is forward accessed from the pilothouse and has a large center line queen berth with en suite head aft to port. The **pilothouse** is enormous with great sight lines and upgraded electronics. There are two pilothouse doors to the port/starboard sidedecks and ample seating, which also converts to additional berthing.

Aft down four steps is the **Galley** to port sharing the space with the comfortable **Salon** running aft. The galley offers plenty of storage and has a large refrigerator and Force 10 stove. Just forward of the galley is the access to the **second stateroom** and **second head**. The stateroom has over/under berths and plenty of storage. The salon features a large L-shaped settee with table for entertaining. This table also converts into a double berth. Aft of the salon is a **large cockpit** with access to tenders, swim step, side decks, bridge access, and the lazarette.

Pilothouse

The pilothouse has plenty of space for you and your family/friends to gather while underway. "Mini Kai" has incredible field of vision with her many windows and large pilothouse doors for ease of access to the side decks. She has a comprehensive list of electronics and many other systems including:

Electronics

- Garmin- GPSmap 4212- Radar, Chartplotter, and Sounder
- Autohelm- ST7000- Autopilot
- Standard Horizon- Spectrum VHF with DSC
- Uniden Oceanus- VHF with DSC
- Autohelm- Instrument system- SPEED, DEPTH, WIND, & GPS
- Ships computer with 14' screen & navigation software
- SkyMate- Remote monitoring system
- KVH- AZIMUTH 1000- Digital Compass

Additional systems

- ITT Jabsco- Searchlight remote control
- Aft deck video monitor

- Heart Pathmaker- Smart battery combiner
- Heart-Link 20- Battery monitoring system
- Xantrex Link 2000 Battery monitoring system
- Sealand- Tankwatch 4- Holding tank monitor

- Ritchie- Powerdamp Compass
- Bow/Stern Thruster & Gethome controls
- Westerbeke Generator- Remote control panel
- HART- Tank Tender- Fuel and water monitoring system
- ACR- Global Fix- EPIRB
- Combination LCD TV/DVD player

Salon & Galley

Salon

The large bright Salon is accessed from a huge double door forward from the cockpit. To starboard is a large settee and dining table. Additional features include:

- Large aluminum framed windows port and starboard
- Espar controls- On/off & Thermostat
- Broan- 1055-J Trash compactor
- 120 VAC- Base board heat with thermostat
- Westinghouse 40" LCD TV on swingarm mount
- Magnavox- DVD player
- Pioneer- DEM-P4000UB Stereo CD player w/ Bose-151 Speakers
- Newly upholstered settee with Teak hi/lo table
- Reading and overhead lighting

Galley

The Galley is to port with plenty of storage and ample counter-top space to prepare large meals or simple snacks.

- U-shaped counter top with teak sea rail
- Large pantry storage with sliding doors
- Force 10 Stainless Steel Stove with Three burners and oven
- Xintex- S-2A Propane fume detector and control system
- Stainless Steel double sink and faucet.
- Kenmore- Microwave oven
- Nova Kool- RFU6200 Refrigerator with freezer below
- Storage cabinets with teak doors and drawers

Master & Guest Staterooms

Master Stateroom

The Master Stateroom is located forward with queen size berth center line and plenty of storage. The en-suite head is located to port with a large vanity and separate shower.

- Queen sized island berth
- (2) hanging lockers and access to chain locker.
- Magnavox- LCD TV and Insignia DVD Player
- Espar- heater outlet
- Halogen- overhead lighting with individual reading lights

En-suite Head

- Large countertop with built in medicine cabinets above and below sink
- Grohe faucet with surface mounted sink
- Shower with curtain
- Large hatch for ventilation
- Jabsco toilet

Guest Stateroom

Forward and down three steps from the galley is the Guest stateroom and day head. The stateroom features two single berths and plenty of storage. There is a large storage area located in the companionway where many of the spare parts and tools are stored

- Two single over/under berths
- Hanging locker and large drawer storage
- Overhead lights and reading lights
- (2) opening port-lights with screens

Guest/Day head

- Counter-top with sea rail, built in medicine cabinets above and below sink
- Grohe faucet with surface mount sink
- Jabsco toilet

Exterior Decks & Cockpit

The fore-deck and cockpit are connected with safe walk around side decks with sturdy

stainless steel rails. The cockpit is accessed by the wide swim step with swim ladder to port. There are side gates off the pilothouse for ease of boarding or stepping to the dock to secure mooring lines. Ahead of the pilothouse, the fore-deck has plenty of space to launch and retrieve your anchor. The boat deck is above the salon and has plenty of space for the ships tender and davit. Further features:

Fore-deck

- Wide decks on port and starboard sides with Stainless steel handrails
- (4) Extra-Large Bronze mooring cleats
- (2) Boarding gates just outside of pilothouse doors
- Fender storage racks
- Raised Anchor pulpit accommodates two anchors
- Horizon 1500- 12VDC windlass w/ footswitch controls for up/down
- Bruce-44# Anchor with 250' 3/8 chain & 280'- 5/8" rode

Boat-Deck

- 9' AB Hard bottom inflatable with 20hp Honda, Unihelm, depth sounder, & VHF
- Nick Jackson electric davit and tender chocks
- Safety rails

Cockpit

- Large FRP swimstep with transom gate and swim ladder
- Storage cabinet for deck gear and propane
- Horizon tender w/ 4hp Mercury on stern swim step davit system
- Safety equipment- Life ring, Life sling, & Winslow life raft
- Davit system: Crab pot puller, engine hoist, man overboard retrieval
- Stern line reel, Magma Stainless steel BBQ
- Custom stainless steel dive ladder

Engineerom & Lazarette

Engineerom

The Engineerom of "Mini Kai" is clean and very well maintained. The layout insures good access to all systems. Additional Sounddown insulation has been added for quiet operation. Systems include:

- Cummins 6CTA8.9 Main engine with a Twin Disc MG 5061-A Transmission
- Custom underwater exhaust system for extremely quiet operation
- (2) Fireboy Automatic fire extinguishers
- Algae-X fuel conditioner
- Racor 75/500FGX Dual fuel filters with Vacuum gauge

- Remote cable control- fuel manifold
- Groco thru-hull valves with alarm for main engine and generator.

Electrical- 12 VDC

- 12 VDC sub panel for bilge pumps
- (4) 8D AGM Batteries- House Bank
- (2) 4D AGM Batteries- Engine Bank
