SPECIFICATIONS

Overview

XO of the Seas was built in steel to RINA Class and was delivered in 2012. She was designed by the renowned and award-winning naval architect Ed Dubois combining excellent sea keeping with good looks and spacious accommodation.

The 32m superyacht features a full beam salon, lit by plenty of natural light from the large windows and double sliding doors leading to the aft deck dining and relaxation area. The top deck has a dining table, welcoming seating area and jacuzzi surrounded by sun bed providing perfect surroundings for enjoying time with friends and family. XO of the seas boasts new exterior cushions on her aft-deck and fly-bridge giving her a fresh contemporary look.

Up to 11 guests can be accommodated in five cabins including one Master suite on the main deck and two double cabins with queen sized beds plus two twins and a Pullman berth on the lower deck, all with entertainment centres and en-suite bathroom facilities.

Twin 873hp Caterpillar engines give her a cruising speed of 10 knots, top speed of 13 knots and a range of 3,400 nautical miles.
