Overview

3 Staterooms/3 Heads

The new **Monte Carlo 6** is the direct link to Beneteau's prestigious *Monte Carlo Yachts*. She is an absolutely stunning 60 foot flybridge yacht with a bridge the size of most 70 footers. Her designer's, **Nuvolari & Lenard** gave her breathtakingly beautiful and classic lines starting from her wave piercing bow leading to her nearly vertical stern. **Andreani Design's** team gave her interior styling which combines the usual Beneteau open and airiness with super yacht quality fit and finish.

Her one piece windshield combined with her center helm design and **Zeus** joystick control makes her very easy to maneuver, but if you want a captain to do the work, her optional captains quarters is sure to impress any captain for a yacht her size.

Her spacious **3 staterooms with ensuite heads** and her large, open salon offer the perfect comfort and entertainment space to her owners and guests.
