SPECIFICATIONS

Overview

TABATA is a fine example of the larger range of yachts built by Azimut-Benetti at their Viareggio factory and the attention to detail and craftsmanship shows that this is no run of the mill production yacht but rather a testament to what this important Italian manufacturer is able to accomplish.

With a beautifully simple lay out, this vessel inspires a sense of openness and an environment that is perfect for large families while providing different areas for socializing throughout the boat.

Crew quarters are accessed via a transom door and provides full air-conditioned accommodations for a Captain and first mate with their own head and shower. This increases the ability of the crew to do it's work while maintaining a sense of privacy for the guests on board.

Some of the outstanding features on TABATA include a separate, private dining salon conveniently located across from the full service galley, large salon with huge windows letting in lots of natural light and a four stateroom layout each with it's own private head and a full beam master taking center stage below completes the sleeping quarters.

The owner of TABATA is keen on getting the vessel sold and will entertain all reasonable offers including those with quality trades. OWNER WILL CONSIDER SHORT TERM FINANCING WITH 50% DOWN.

Manufacturer Provided Description

Let the light welcome you aboard. Then look out over the great expanse of blue surrounding you. This is Azimut 75. Unbelievably comfortable, unbelievably roomy, unbelievably sunsets await you.
