DETAILED INFORMATION

Galley

The galley is located on the starboard side as you go through the companionway. It features beautiful woodwork and Corian counter tops.

- Sharp microwave in cabinet under the sink
- Deep polished under-mounted stainless steel sink
- Single lever faucet
- Miele two burner stove
- 12V refrigerator/freezer
- Ample storage compartments
- Trash bin in counter

Helm

One of the favorite features of the Talaria is her elegant enclosed Helm area with its beautifully varnished woodwork, UltraLeather Stidd helm and companion seats. Visibility is excellent in all directions. Facing forward the pilothouse has three glass fixed windows, the side windows are opening. The aft area of the pilothouse features two curved settees and an electric varnished table. The Port settee can be extended with a filler piece and cushion.

- Ivory colored interior sun covers for all the pilothouse windows
- Two Stidd White UltraLeather electric helm and a companion seats with footrests, both seats pivot to face aft settees
- Floor storage compartment
- Integrated cup holders
- U-Line Ice Maker
- The pilothouse top has a raised radar mount, remote spot, a mast and KVH Dome
- Fixed windshields have Exalto adjustable wiper controls
- ACR Remote spotlight
- Manual shut downs for engines
- Manual emergency bucket controls

Vessel Walkthrough

Lady II has comfortable sleeping for two in the forward V-berth, this area also offers ample storage for all your gear. There is a roomy head with a separate shower on the port and a well appointed galley on the starboard. The pilothouse has Stidd helm and companion seats as well as two curved settees with a beautiful varnished table.

Hinckley's legendary craftsmanship is seen through out this fine boat. The exceptional joinery work of the varnished wood along with the pleasing exterior lines result in a beautiful boat

Electronics/Navigation

- Raymarine C-90W Chartplotter/GPS
- Raymarine RL80C Radar/Chartplotter
- Raymarine ST 6002 Autopilot
- Standard Horizon GX 2000 VHF w/remote mic
- Raymarine Tri-Data Upgraded to new model
- Danforth Compass
- Samsung TV monitor
- Alpine Stereo w/ Cockpit Speakers
- Bow Thruster

Engineroom

The engine compartment can be accessed through the floor in the pilothouse or through the two electrically operated hatches in the cockpit. The engine room is lined with insulation, providing quiet operation. The boat is powered with twin Yanmar 6LY2-STP 440-hp diesels which are coupled to ZF transmissions and Hamilton 322 jet drives. The boat is controlled with a beautiful teak rimmed stainless steel steering wheel and single lever controls, plus the Hinckley "Jet Stick" control system which is integrated with the bow thruster. This patented Hinckley JetStick control system integrates the forward and aft motion of the boat along with the steering and the bow thruster - this all makes for a very easy boat to control.

Electrical Equipment

- Fisher-Panda Mini 12 , 11KW Generator w/Sound Shield 202 HRS April 2015
- Shore power cord 50 amp w/ Glendenning reel system
- Mastervolt Inverter
- Battery Charger
- AC control for Cabin
- AC control for Helm area

Deck Equipment/Cockpit

The anchor locker features an innovative anchor roller that pivots from an on-deck launch

position to a below deck storage position for a clean uncluttered look. The cockpit has two large aft facing seats that raise up electrically for engine access. There is also a removable transom settee with bottom and back cushions.

- Transom door
- Helm Headliner new in Jan 2015
- Swim platform with teak inserts
- 3-step folding swim ladder that stores away
- 4 opening cabin portlights with screens
- Lewmar low profile deck hatches with screens and privacy covers
- A removable teak boarding step and cockpit boarding step that can be used on port or starboard
- Varnished cockpit coaming
- 3 piece drop curtain
- White aft curtain
- Cockpit floor storage
- Additional storage behind aft facing seats and behind the transom seat
