Overview

*****Super Yacht Quality Under 60 Feet*****

The MC5S is the newest addition to the Monte Carlo line. Like her sister the MC5 Fly, the MC5S branches the gap between Beneteau Power and Monte Carlo Yachts. The combination of Italian design and French boat building has created a stunning yacht that is sure to out shine all other yachts in her class.

Her hull, designed for Volvo's IPS drives, features a wave piercing bow which improves her navigation in the roughest seas.

Beneteau Power has dramatically increased the quality of design and build in this model. She is a must see during your search of a yacht under 60 feet.

The MC5S has the same interior features as the MC5 Fly; however she is equipped with a beautiful glass electric sunroof which opens over the salon and wheelhouse. The glass roof provides an amazing amount of natural light and she comes with accordion blinds to block out the light when needed.

Unlike many express style yachts in her class, the MC5S has a sun lounge accessed by steps to the starboard side in the cockpit. With plenty of seating around her table on the sun lounge, you have a great space to enjoy cocktails or collapse the table and you have a very large sun bathing area.

Call today to find out about her many features including:

- **IPS Drives**
- *Hydraulic Swim Platform*
- **Sun Lounge and Electric Sunroof**
- Optional Captains Quarters
- 3 staterooms/2 heads
- Full Beam Master
- 2 x Simard NSO16s (optional)

Every new Beneteau comes with a 3 year stem to stern warranty and a 7 year structural warranty backed by Beneteau.

Engine Type: Other

Fuel Type: Diesel

DETAILED INFORMATION

Monte Carlo Concept

The *Monte Carlo line* represents the continuation of the **Monte Carlo Yachts below 60 feet**. The Monte Carlo models share the **same vision of luxury** introduced by the MCY which combines a timeless elegance and the great pleasure to be aboard. The MC 5 stands as a precursor in the Beneteau range in terms of luxury perception : new materials, new wood finishing, strong attention to details... directly inherited from the world of MCY.

The *MC 5* is designed in the **pure Beneteau nautical tradition**, and thus benefits from the experience, the engineering and the industrial power of a nearly **130 years old worldwide established leading brand**.

The *MC 5* is a motor cruiser designed to meet the expectations of a **worldwide clientele** : she offers great living spaces flooded with natural light, high end equipments and technologies to enhance comfort and ensure ultimate well being for her owners and their guests. The MC 5 is meant to be triply great :

Great volume. Great comfort. Great style.

Hull Design

The hull of the Monte Carlo 5 has been designed to **enhance the comfort** of the owner and its guests during the navigation ; to make the journey as much a **pleasure** as the destination.

- The bow is thin and flared, which ensures a **smooth and safe handling**, as well as a **good deflection** to avoid any back spray.
- Besides, the deadrise at transom (V angle) is approximately 15°, thus quite flat, which provides a good lift and optimizes the **efficiency of the IPS** pods drives. Sides hard chines provide a very **good stability** at mooring and during navigation.
- Finally, this hull design also creates a better bow rise attitude (4° compared to 6° traditionally) : ensuring **optimal visibility** for the pilot and the crew.

Deck Layout

Hydraulic platform (Trim level Exclusive) :

- integrated cradle for tender
- maximum load: 350kg /771lbs

- integrated ladder with good ergonomic and high handrails

L shape saloon in cockpit

- Seating for 6 pers
- Optional teak table

Retractable sun shade (option)

Easy and safe access to the bridge with a molded staircase. With storage.

Bow sun pad :

- Retractable backrest
- Speakers and audio remote (option)

Additional Options: aft barbecue and wet bar accessed on swim platform • Kenyon grill • Sink w/ hot & cold water • Worktop and lights **Choice of layout :** large stowage or crew cabin
Cockpit protection : - Aft closing system – color Graphite (option) - Retractable electric sun awning – color Cream (option)

Sunlounge

- Accessed by steps to starboard in the cockpit
- Lounge seating for six around the hydraulic table
- Optional Sun awning to cover sun lounge
- Seating converts to large sun bathing area
- Optional drawer refrigerator
- Courtesy LEDs
- Radar Support + Navigation Light mounting on hard top scoop

Interior Design

Aft door:

- Full opening on the cockpit
- High perceived value: stainless steel frame and mirror tinted glass

Galley:

- Located at the center of the main deck, on the same level as the cockpit
- Choice of the equipment: 40L oven, 20L micro wave, electric cooktop, dishwasher, 2 size of fridges (drawers)

2 versions of galley : – 75L fridge + 75 L freezer + icemaker (standard). In this case, 40L oven and the dishwasher are not compatible. the 22L micro wave oven is available. – 150L fridge + 75 L freezer + icemaker (high cabinet galley version). In this case, you can have all the equipment together, (40L oven and dishwasher).

Salon:

- Electric actuated glazed sunroof with remote
- Accordion style blinds to block out light from glass sunroof
- seating for 6 people
- New design of sofa with highly comfortable cushions – 32" TV on lifting system with Bose

Helm station:

- Seating for 2 – Full instruments, 2x 16" MFDs – Good visibility thanks to single part Windscreen
- 2 opening windows, electric (option)

Accommodations

Full beam master:

- 2 panoramic windows with opening portholes – Private ensuite head – Large berth (6'7" x 5'7")

Guest:

- 2 bunk beds – 2 opening portholes **Bow VIP:** – 4 opening portholes + 1 skydome – Private ensuite head – Large berth (6'7" x 5'3")

Heads:

- Separate shower stalls in each head – Vacu flush toilets

Hydraulic Swim Platform

– Trim level Exclusive – Maximum load : 350 kg / 771 lbs – Flush-mounted cradle for tender – Recommended tender : Williams jet 285 - The Williams jet tender can be customized at the factory to match the colors of the MC5
