SPECIFICATIONS

Overview

A scaled down version of the popular 4000 Express, the Tiara 3500 Express is a high-style family cruiser with impressive accommodations. The current owner has given her expert and loving care but he upsizing his boating needs. She's heavily built on a beamy modified-V hull with a shallow prop pockets to reduce the draft. The interior is huge for a 35-footer thanks to her super-wide beam. The L-shaped lounge next to the cockpit steps can be converted into a stateroom at night. All in all, this is easily one of the nicest interiors you will find in any midsize express. Additional features include a teak & holly cabin sole, a huge storage trunk (96 sqft) built into the transom, single-level cockpit seating for eight, and an optional 4-foot swim platform for stowing an inflatable. Optional 370hp V-drive Cummins diesels will cruise the Tiara 3500 at 21 knots (23-24 knots top). Call us today for a showing.
