SPECIFICATIONS

Overview

The PDQ line of catamarans are well known for their excellent construction, resale value and of course live up to their Initials for Pretty Darn Quick.

This 32 Altair LRC is a rare version. Instead of outboard motors, Yanmar diesels were installed.

This extremely well maintained example is only offered so the growing family can move into a bigger cat. **Engines** Engine 1: Engine Brand: Yanmar Engine Model: 2GM20F Engine Type: Inboard Engine/Fuel Type: Diesel Location: Port Engine Hours: 2764 Drive Type: Sail drive Engine Power: 18 HP Engine 2: Engine Brand: Yanmar Engine Model: 2GM20F Engine Type: Inboard Engine/Fuel Type: Diesel Location: Starboard Engine Hours: 2747 Drive Type: Sail drive Engine Power: 18 HP

Walk Through

From the outside, this is a handsome catamaran and the Famous PDQ quality shows immediately.

To starboard is the helm in the large cockpit. The helm allows great visibility and easy access to the sail controls.

Going into the salon shows a bright living and dining space.

Going down into the starboard hull has the nav station and electrical panel in the center. There is storage and a nice seat on the outside.

Going aft is the master stateroom with a very comfortable and well ventilated berth.

In the forward starboard hull is the very large head and standup shower.

On the port side is the very generous galley with large prep area, fridge and sinks. Don't be afraid of a down galley here, you are still in the entertainment area and when you are done

entertaining, you can walk way from the dirty dishes.

To aft is another large stateroom with a bunch of storage.

Dingy

- 9 ft 1in Caribe
- 9.8 Tohatsu 4 stroke engine

Saying that, this is the largest 32 ft catamaran you will ever see. The ingenious layout with large aft staterooms, large galley and head is a real winner.
