- **Maretron DSM250 NMEA 2000 Display at PH, FB and MSR**

Electrical System

- 20KW - **394 hours** and 12 KW - **301 hours** Northern Lights gen sets
- Heavy-duty batteries - L16 X 8- 6V -24Volt
- Engine battery disconnect switch
- AC outlets throughout
- Battery paralleling system with control switch Service battery switch
- Trace 4000W inverter/charger
- Polarity reverse indicating light
- Bonding system throughout
- Cellular amplifier
- VOLT and AMP meters
- Mastervolt battery charger
- GFI AC outlet with SmartLock feature for operation error protection which exceeds UL
- requirements
- UPS electrical protection
- 24V lights in all compartments
- AC/DC distribution panel with magnetic circuit breakers
- Shore power receptacle 1x50AMP in transom power installed w/cable master in transom
- Steel-head davit 3 function hydraulic davit SM1500R
- Shore power cords, wired directly into GFI protected shoreline breakers
- **Chart light beside dash**
- Maretron DSM250NMEA2000 Display PH, FB and MSR

Engine Room & Bilge

- Flojet pressure fresh water system
- Johnson pressure sea water system
- Fuel manifold distribution system
- Dripless seal for rudder post
- 20 gallon water heater
- aluminum fuel tanks with sight gauges
- Stainless steel water tanks with sight gauges
- Color-coded piping for fuel and water
- Common drainage system for sink, shower, bilge and exterior deck
