Hull Configuration: Modified Deep Vee

DETAILED INFORMATION

Walkthrough

Accommodations in the 48' Ocean include three staterooms for owners and guests and three heads.

The Main Deck layout features a Galley and Helm that are open to the Salon. A spiral staircase aft and to port leads down to the Master Stateroom. Dining table and chairs are forward of the staircase with sectional seating and cocktail tables aft and starboard. Moving forward in the Salon, to starboard is another staircase that leads up to the spacious Flybridge. Amidships and to port is the open Galley with Helm opposite just beyond the Flybridge stairs, with full instrumentation. Starboard is another staircase leading to the VIP and Port Guest Staterooms below, with access to the stand-up Engine Room.

Doors port (Galley) and starboard (Helm) amidships lead to the side decks and to the foredeck for sunning and line handling. There is a small aft deck with a ladder leading to the swim platform for dock access and additional line handling.

Features & Highlights

It's hard to believe there is so much to be found in this 48' Ocean motor yacht! HULA GIRL features an open main deck layout with full-width Salon, Galley and Helm. Below are three spacious Staterooms for owners and guests, plus three heads, and easy access to the Engine Room. Add the large Flybridge for entertaining and it's easy to see why the 48' Ocean is such a popular model.

HULA GIRL was repainted with Awlgrip in 2010 and had been kept under cover and in fresh water until January 2014. With only 200 hours (approx) since major overhaul on her engines and new transmissions in 2010, she has been well maintained and is in very good condition for her vintage.

A strong candidate for any buyer in the 48' range. Not to be missed!

Salon & Dining

- Full-beam Salon
- Teak covered bulkheads
- Carpeting
- Sliding door with security lock
- Opening windows with tinted safety glass, screens and mini-blinds

- Valances and draperies
- L-shaped sectional sofa with storage
